¹ Seasonally adjusted, Labour Force Survey (age group 16 and over). Monthly figures represent a 3 month average ending that month.

² For working age (All age 16-59/64)

³ For monthly data, latest 3 months compared to previous 3 months.

⁴ Annual figures are for Q2. Quarterly data are shown against the last month of the quarter.

⁵ Manufacturing employee jobs. From 19 January 2011, this series has been changed in line with the discontinuation of the previous ONS series.
