**SMART ENERGY GB RESPONSE TO THE CONSULTATION ON NEW
SMART ENERGY CODE CONTENT (STAGE 4) AND CONSEQUENTIAL
/ASSOCIATED CHANGES TO LICENCE CONDITIONS**

1. Smart Energy GB has considered the question set for the consultation and responds directly to Question 42.
2. Question 42 – Do you agree with the proposed approach and legal drafting in relation to provision of market share information to the CDB including Ofgem determining disputes between the CDB and the DCC?
 - a. Response: Smart Energy GB is content with the legal text for a new license condition, Chapter 11, Condition 45 Provision of Market Share Information to the Central Delivery Body, to the Smart Meter Communication Licence (DCC Licence), as drafted.

The company invited all Smart Energy GB Board members to respond to the consultation question and legal drafting, and received no contrary views or recommendations for change to this response.

3. Smart Energy GB has no additional responses to the remaining consultation questions.
4. Queries or requests for further information should be addressed, in the first instance, to the Smart Energy GB Programme Manager at the address or telephone numbers shown.
