

## **Airports Commission Consultation: Heathrow Area Drop In Session**

Members of the team supporting the Commission will be available to provide advice on responding to its consultation on proposals for additional airport capacity at the **Park Inn Hotel, Bath Road** below from 1800 to 2000 on 3 December 2014. Tickets are not required to attend this event.

The Airports Commission has over the past six months carried out a significant amount of work to analyse the economic, business and environmental impacts of the proposals for additional capacity at Heathrow Airport. It has recently published the results of this analysis for public consultation.

An important part of this process is to hear from those people likely to be impacted by the proposals and we would like to encourage people to respond. The consultation runs until 3 February 2015, and the consultation materials, including information on how to respond, can be accessed on our website here:

To hear views at first hand the Commission has also set up a public discussion session on 3 December at the **Park Inn Hotel, Bath Road**. This will enable it to hear views from local communities and their elected representatives. This session has proved to be very popular and we will be publishing a full transcript on our website so those unable to attend are able to read what was said.

The Commission would encourage people to respond to the consultation, and look forward to taking their views on board as we enter the final phase of our work to identify the best overall proposal.

### **Address**

Park Inn Hotel Conference Centre  
Bath Road  
Heathrow  
UB7 0BU

The event is taking place in the Discovery suite of rooms at the conference centre.

The venue can be accessed by public transport from the central bus station at Heathrow Airport. Shuttle buses also run from outside the main entrance to each terminal at the airport to the hotel.
