Consultation Questions	
1 Does EU action, as opposed to national government action, in the areas of education and vocational training generally benefit or disadvantage the UK? Can you point us to any published evidence or analysis in support of your view?	
Answer/Comments:	It gives young people a platform to experience life in an alternative way, to breathe life into something they see as a dream and disregard. It provides inspiration and a chance to see a new future for those who would normally not have the opportunity due to circumstance.
