

Hi

I have attended two Youth in Action training courses at the ASHA Centre in Gloucester and have also had the opportunity to attend a seminar in Albania, representing ASHA.

The courses at ASHA were incredible. I met people from countries that I knew very little about, which developed my new-found interest in different parts of Europe. I also feel more confident and willing to engage with diverse groups of people as a result of these experiences.

ASHA is a magical place – the staff are truly inspiring people. It has given me a lot of hope.
