Dear Caroline,

I hope you had a good Christmas.

I understand that [REDACTED] has spoken to you about the potential to delay by one year the PFI credit that is being provided on the King's Lynn Waste to Energy Plant in his constituency of North West Norfolk. The proposed site is 1/4 mile from my constituency of South West Norfolk and many local residents have written to me on the subject.

As [REDACTED] said, we had a meeting with the County Council yesterday and we all agreed that given the circumstances delaying the credit to enable further consultation would be the best option.

I strongly support [REDACTED] in [REDACTED] efforts to delay the credit and would be very grateful if any possible way could be found of doing this.

Best wishes,

 Elizabeth Truss
