Dear Jim,

I have received emails from a number of my constituents, such as the one below, who wish to see Government support for the work of the Retired Greyhound Trust (RGT).

I would be grateful if you could clarify the actions the Government is taking to ensure that retired greyhounds are well looked after, particularly as the RGT does not have the capacity to care for all such dogs.

Best wishes,

Elizabeth

I understand that there is an EDM for the work of the Retired Greyhound Trust.

I have just recently adopted one of these beautiful dogs and am delighted with how it is changing my life for the better. I have helped at the East Anglian branch of the RGT for a few years now. Without the RGT I would fear greatly for the thousands of greyhounds that leave racing each year. Even with the work of the RGT there are still hundreds of dogs unaccounted for each year that leave the sport. It is vital that the RGT continues to work and expand.
PLEASE sign the EDM.

Many thanks
