INTRODUCTION

- 1 This memo provides guidance on the Universal Credit (Work-Related Requirements) In Work Pilot Scheme and Amendment Regulations 2015 (S.I. 2015 / 89). The regulations come into force on 19.02.15¹.

AMENDMENT TO THE UNIVERSAL CREDIT REGULATIONS

Circumstances in which requirements must not be imposed: weekly earnings

- 2 [ADM J3192 et seq](#) provides guidance on the circumstances in which work-related requirements must not be imposed. [ADM J3231 - J3233](#) provides guidance on when the work search and work availability requirements should not be imposed because the DM is satisfied that the claimant has weekly earnings, or where the claimant is a member of a couple, the claimant and their partner have combined weekly earnings at a (undefined) level where they should not be required to meet those requirements at the present time.
- 3 From 19.02.15, the work search requirement and work availability requirement must not be imposed where¹
 1. the claimant has weekly earnings that are equal to, or more than, £5 plus the applicable amount of the JSA personal allowance for a single person aged 25 or over **or**
 2. the claimant is a member of a couple whose combined weekly earnings are equal to, or more than, £10 plus the applicable amount of the JSA personal allowance for a couple where both members are aged 18 or over.

The reference amount applicable to a claimant or joint claimants is referred to as the “Administrative Earnings Threshold”.

Note: The weekly earnings in **1.** and **2.** only include earnings that are employed earnings. See [ADM Chapter H3](#) for the meaning of employed earnings².

1 UC Regs, reg 99(6); 2 reg 99(6A)

Example

Anton is a single claimant in receipt of UC and is subject to all work-related requirements. He starts work in a café and receives net weekly earnings of £90 a week. The JSA personal allowance for a person aged 25 or over is £72.40. Anton’s earnings are in excess of £5 plus £72.40 therefore a work search and a work availability requirement cannot now be imposed on him.

THE IN WORK PILOT SCHEME

Purpose of the In Work Pilot Scheme

- 4 The purpose of the scheme is to test the extent to which the imposition of work-related requirements on claimants in low-paid work is likely to promote their
1. remaining in work **or**
 2. obtaining or being able to obtain more work or better-paid work¹.

The work-focused interview and work preparation requirements continue to apply as normal.

1 WR Act 12, s 41;

Universal Credit (Work-Related Requirements) In Work Pilot Scheme and Amendment Regulations 2015, reg 4(1)

Claimants participating in the In Work Pilot Scheme to be subject to work-related requirements

- 5 The suspension of work-related requirements for claimants whose weekly earnings reach a certain level, as described in paragraph 3 above, will not apply to those claimants who are chosen to participate in the In Work Pilot Scheme and notified accordingly¹.

1 Universal Credit (Work-Related Requirements) In Work Pilot Scheme and Amendment Regulations 2015, reg 4(2)

- 6 Claimants who participate in the In Work Pilot Scheme will be subject to the same requirements (including the same limitations and safeguards) as claimants who are not in work or earning below the Administrative Earnings Threshold.

Selection of participants

- 7 The Secretary of State may select claimants to participate in the In Work Pilot Scheme on a random sampling basis¹. The Secretary of State may make a selection on more than one occasion and may limit each selection to qualifying claimants
1. living in a particular geographical area **or**
 2. who have become qualifying claimants within a particular period of time as determined by the Secretary of State².

2 reg 5(2)

Qualifying claimants

- 8 A qualifying claimant means¹ a person who
1. is subject to all work-related requirements **and**
 2. has weekly earnings, or, if the person is a member of a couple, the couple has combined weekly earnings above the Administrative Earnings Threshold, so that if they are not selected for the pilot scheme, the work search and work availability requirement would not be imposed **and**
 3. is not a person where work-related requirements must not be imposed due to them
 - 3.1 being a victim of domestic violence
 - 3.2 being a prisoner **or**
 - 3.3 being temporarily absent from GB for treatment or convalescence for a period not expected to (and which does not) exceed six months **or**
 - 3.4 having within the last six months experienced the death of
 - 3.4.a the other member of the couple, where the claimant is a member of a couple **or**
 - 3.4.b a child or qualifying young person for whom the claimant or where the claimant is a member of a couple, the other member was responsible **or**
 - 3.4.c a child, where the claimant was the child's parent **or**
 - 3.5 receiving and participating in a structured recovery-orientated course of alcohol or drug dependency treatment for a period of up to six months **or**
 - 3.6 being under protection due to their involvement in investigations or proceedings for a period of up to six months **or**
 - 3.7 being unfit for work for a period longer than 14 consecutive days.

ADM J3180 et seq provides guidance on the above categories.

Circumstances in which the Pilot Scheme will no longer apply to selected claimants

- 9 A claimant who has been selected for the Pilot Scheme in accordance with paragraph 7 of this memo will no longer be required to participate in the pilot scheme if
1. the claimant ceases to be a qualifying claimant under paragraph 8 above **or**
 2. the Secretary of State decides that the claimant should no longer participate in the pilot scheme because
 - 2.1 the claimant has moved to live in a different geographical area **or**
 - 2.2 the Secretary of State has decided that the testing of work-related requirements which have been imposed on the claimant has concluded.
- 10 Where a claimant has only ceased to be a qualifying claimant under paragraph 8 because of a change in their weekly earnings (or combined weekly earnings where the claimant is a member of a couple), the claimant will be subject to the Pilot Scheme again if the claimant becomes a qualifying claimant unless in the intervening period
1. the Pilot Scheme has ceased to apply to the claimant for some other reason **or**
 2. the claimant has ceased to be entitled to UC for a continuous period of six months or more.

Notification

- 11 A claimant must be notified in writing that they have been selected for the Pilot Scheme in accordance with paragraph 7¹.
- 1 Universal Credit (Work-Related Requirements) In Work Pilot Scheme and Amendment Regulations 2015, reg 6(1)*
- 12 A claimant must also be notified when they are no longer required to participate in the Pilot Scheme where
1. they are no longer a qualifying claimant (unless the claimant is no longer a qualifying claimant only because of a change in earnings) **or**
 2. the Secretary of State has determined that the claimant should no longer participate in the Pilot Scheme because
 - 2.1 they have moved to live in a different geographical area **or**

2.2 the Secretary of State has determined that the testing of particular work-related requirements that have been imposed on that person has concluded.

A notification sent by post to a claimant's last known address is treated as having been given or sent on the day that it was posted¹.

1 Universal Credit (Work-Related Requirements) In Work Pilot Scheme and Amendment Regulations 2015, reg 6(2)

- 13 The guidance in Appendix 1 to ADM Chapter A2 applies to the delivery of notifications by electronic means¹.

1 Universal Credit (Work-Related Requirements) In Work Pilot Scheme and Amendment Regulations 2015, reg 6(3)

Expiry of the In Work Pilot scheme

- 14 The pilot scheme ends at the end of the period of three years starting on 19.02.15 unless the Secretary of States extends it by Order for up to 12 months at a time¹.
