2. The general relevant requirements for the purposes of regulations 9 and 10 of the Croatian Regulations are those set out in paragraphs 3 to 36 of this statement.

### *Requirements for all Tier 2 or Tier 5 applications*

**3.** Where the applicant is in an authorised category of employment by virtue of having been issued with a certificate of sponsorship under Tier 2 or Tier 5 of the Points Based System—

- (a) the certificate of sponsorship must specify the category and, where appropriate, the sub-category, of Tier 2 or Tier 5 employment for which it has been issued; and
- (b) the applicant must provide a valid certificate of sponsorship reference number, a certificate of sponsorship reference number being only valid if—
  - (i) the number supplied links to a certificate of sponsorship checking service entry that names the applicant as the worker;
  - (ii) the sponsor assigned the certificate of sponsorship reference number to the applicant no more than 3 months before the application for a worker authorisation registration certificate is made;
  - (iii) the application for a worker authorisation registration certificate is made no more than 3 months before the start of the employment as stated on the certificate of sponsorship;

### *Requirements for all Tier 2 Applications*

**4.** The employment specified in the certificate of sponsorship must—

- (a) be employment for which the applicant is appropriately qualified;
- (b) where the applicant is applying for a worker authorisation registration certificate as the holder of a valid certificate of sponsorship issued under the Tier 2 (General) category of the Points Based System, be a genuine vacancy, for which the stated requirements of the job, as recorded in the certificate of sponsorship checking service entry and in any advertisements for the job are appropriate for the job on offer and have not been tailored so as to exclude resident workers from being recruited; and
- (c) must not amount to—
  - (i) the hire of the applicant to a third party who is not the sponsor to fill a position with that party, whether temporary or permanent, or
  - (ii) contract work to undertake an ongoing routine role or to provide an ongoing routine service for a third party who is not the sponsor,

regardless of the nature or length of any arrangement between the sponsor and the third party.

**5.** In paragraph 4, the employment is genuine vacancy if it is a vacancy which exists in practice (and would exist were it not filled by the applicant) for a position which—

- (a) requires the jobholder to undertake the specific duties and responsibilities, for the weekly hours and for the duration of the engagement, specified by the sponsor in the certificate of sponsorship; and
- (b) is not comprised of dissimilar and/or unequally skilled duties such that the Standard Occupational Classification code specified in the certificate of sponsorship is inappropriate.

### *Tier 2 (General)*

**6.** Where the applicant is applying for a worker authorisation registration certificate as the holder of a valid certificate of sponsorship issued under the Tier 2 (General) category of the Points Based System—

- (a) the employment must—

- (c) the employment must be paid the appropriate salary.

**7.** In paragraph 6, the employment is in a shortage occupation if—

- (b) the contracted working hours are for at least 30 hours a week; and
- (c) where table 2 (Scotland only shortage occupation list) in appendix K (shortage occupation list) of the immigration rules specifies that the occupation is a shortage occupation for Scotland only, the job offer is for employment requiring the applicant to work at a location in Scotland.

**8.** In paragraph 6, the employment meets the requirements of the resident labour market test if—

- (a) the sponsor has advertised the vacancy in accordance with the requirements set out in tables 11B (advertising methods and duration which satisfy the resident labour market test) and 11C (advertising media which satisfy the resident labour market test) of appendix A (attributes) of the immigration rules;
- (b) the advertisement has stated—
  - (i) the job title;
  - (ii) the main duties and responsibilities of the employment;
  - (iii) the location of the employment;
  - (iv) an indication of the salary package or salary range or terms on offer;
  - (v) the skills, qualifications and experience required for the employment; and
  - (vi) the closing date for applications, unless it is part of the sponsor's rolling recruitment programme, in which case the advertisement should show the period of the recruitment programme;
- (c) unless the employment appears on table 1 (occupations skilled to PhD level), of appendix J (codes of practice for Tier 2 sponsors, Tier 5 sponsors and employers of work permit holders) of the immigration rules, the sponsor has been unable to find a settled worker who is—
  - (i) suitably qualified to fill the vacancy as advertised, and
  - (ii) available to fill the vacancy; and
- (d) the certificate of sponsorship checking service entry contains full details of when and where the job was advertised, and any advertisement reference numbers, including the Jobcentre Plus or JobCentre online vacancy reference number if table 11B (advertising methods and duration which satisfy the resident labour market test) of appendix A (attributes) of the immigration rules specifies that the job must have been advertised in Jobcentre Plus or JobCentre online.

**9.** In paragraph 6, the employment is one to which an exemption from the resident labour market test applies if—

(a) the salary is no less than £152,100 per year, or £155,300 per year if the Certificate of Sponsorship was issued to the applicant after 6 April 2015 ;

(b) the employment is a supernumerary research position, where the applicant has been issued a scientific research award or fellowship by an external organisation that is not the sponsor, and the funding is not transferrable to any other applicant;

(c) the employment is to continue working as a doctor or dentist in training, under the same NHS training number which was assigned to the applicant for previous lawful employment as a doctor or dentist in training in the United Kingdom;

(d) the employment offer is as a doctor in speciality training where the applicant's salary and the costs of his training are being met by the government of another country under an agreement between that country and the United Kingdom; or

(e) the employment offer is to resume employment by a Higher Education Institution following a break in employment by that institution which was solely for the purposes of academic leave.

**10.** In paragraph 6, the employment is work in the same employment for the same sponsor if—

(a) the sponsor is the same employer as the employer specified in the most recent grant of an accession worker authorisation document in respect of the applicant; and

(b) the employment is in the same occupation as the employment specified in the most recent grant of an accession worker authorisation document in respect of the applicant.

**11.** In paragraph 6, except where the employment for which the certificate of sponsorship has been issued is as a pre-registration candidate nurse or candidate midwife, the employment is paid the appropriate salary if the salary is—

(a) no less than £20,300 per year, or £20, 800 per year if the Certificate of Sponsorship was issued to the applicant after 6 April 2015 ; and

(c) in this paragraph, the employment for which the certificate of sponsorship has been issued is as a pre-registration candidate nurse or candidate midwife if—

(i) the applicant obtained a Nursing and Midwifery Council permission before 30 March 2015 to undertake the Overseas Nursing Programme or the Adaptation to Midwifery Programme, and is being sponsored to undertake a supervised practice placement as part of the programme, which has been approved by the Nursing and Midwifery Council, or

(ii) the applicant will sit an Observed Structured Clinical Examination to obtain Nursing and Midwifery Council registration no later than 3 months after the stated employment start date, and familiarisation training will be permitted until the application for registration with the Nursing and Midwifery Council is either successful, or closed, or for a period of up to 8 months, which ever is earlier; and

(iii) the applicant will continue to be sponsored as a nurse or midwife by the sponsor after registration with the Nursing and Midwifery Council; and

(iv) the applicant will be paid at least £20,800 once registered.

**12.** In paragraphs 9 and 11, salary means the applicant's gross annual salary—

- (a) inclusive of allowances, such as London weighting, which would be paid to a settled worker in similar circumstances;
- (b) exclusive of other benefits, such as bonus or incentive pay, employer pension contributions, and payments to cover business expenses (including travel to and from the applicant's home country); and
- (c) exclusive of overtime payments.

**13.** For the purposes of paragraph 12, where the applicant is paid hourly, the salary calculation will take account of earnings up to a maximum of 48 hours a week.

*Tier 2 (Intra-Company Transfer)*

**14.** Where the applicant is applying for a worker authorisation registration certificate as the holder of a valid certificate of sponsorship issued under the Tier 2 (Intra-Company Transfer) category of the Points Based System—

- (a) the employment must appear on table 3 (occupations skilled to National Qualifications (NQF) Framework level 4 and above), as set out in appendix J (codes of practice for Tier 2 sponsors, Tier 5 sponsors and employers of work permit holders) of the immigration rules;
- (b) the employment must be paid the appropriate salary;
- (c) except where he holds a certificate of sponsorship issued under the graduate trainee or skills transfer sub-categories of the Tier 2 (Intra-Company Transfer) category, the applicant—
  - (i) must have been working for the sponsor for a continuous period of 12 months immediately prior to the date of application, or
  - (ii) must have been working for the sponsor for an aggregated period of at least 12 months within the 24 month period immediately prior to the date of application if, at some point within the 12 months preceding the date of application, the applicant has been—
    - (aa) on maternity, paternity or adoption leave; or
    - (bb) on sick leave lasting one month or longer;and in relation to both sub-paragraphs (i) and (ii), must provide the specified documents;
- (d) where the certificate of sponsorship has been issued in the graduate trainee sub-category—
  - (i) the employment must form part of a structured graduate training programme, with clearly defined progression towards a managerial or specialist role within the organisation;
  - (ii) the sponsor must have assigned certificates of sponsorship to no more than 4 other persons under the graduate trainee sub-category during the year beginning on 6 April and ending on 5 April in which the certificate of sponsorship was assigned to the applicant; and
  - (iii) the applicant must have been working for the sponsor outside the United Kingdom for a continuous period of 3 months immediately prior to the date of application, and must provide the specified documents; and
- (e) where the certificate of sponsorship has been issued in the skills transfer sub-category, the employment that the certificate of sponsorship checking service entry records that the person is being sponsored to do must be for the sole purpose of transferring skills to or from the sponsor's presence in the United Kingdom and must be additional to the sponsor's normal staffing requirements.

**15.** In paragraph 14, the employment is paid the appropriate salary if the salary is—

(a) no less than £24,300 per year, or £24,800 per year if the Certificate of Sponsorship was issued to the applicant after 6 April 2015 ; and

(b) exclusive of other benefits, such as bonus or incentive pay, employer pension contributions, and payments to cover business expenses, including (but not limited to) travel to and from the sending country; and

(c) exclusive of overtime payments.

**17.** For the purposes of paragraph 16(a), a cap applies to the effect that an allowance made available solely for the purpose of accommodation cannot account for more than 40% of the gross annual salary, so that, for example, where an applicant receives an accommodation allowance of £12,000 in addition to other payments of £12,000 (making payments of £24,000 in total), the £12,000 of other payments must account for at least 60% of the applicant's gross annual salary, so that only £8,000 of the accommodation allowance would count towards the calculation of the applicant's gross annual salary, (which would be £20,000 in this example, and therefore not meet the requirements in paragraph 13(a)).

**18.** For the purposes of paragraph 16, where the applicant is paid hourly, the salary calculation will be based on earnings up to a maximum of 48 hours a week.

**19.** In paragraph 14, the specified documents are—

(iii) payments by the sponsor covering the full specified period.

**20.** Subject to paragraph 21, where a period of previous employment falling within paragraph 12(c)(ii) includes a period of maternity, paternity or adoption leave, the specified documents are also—

(a) the original full birth certificate or original full certificate of adoption (as appropriate) containing the names of the parents or adoptive parents of the child for whom the leave was taken, if this is available; and

- (ii) one of the types of documents set out in paragraph 17, covering the entire period of leave, and showing the maternity, paternity or adoption payments.

**21.** If the applicant cannot provide two of the specified documents in paragraph 208, he must provide at least one of the specified documents in paragraph 20, with a full explanation of why the other documents cannot be provided, and at least one of the following, from an official source and which is independently verifiable—

#### ***E. Explanatory Note***

The purpose and effect of this Statement, consistent with the terms of Annex V to the Treaty on the accession of Croatia, is to ensure that the relevant requirements for an accession State national subject to worker authorisation are no more restrictive than those which applied to a Croatian national applying for a grant of entry clearance or leave to enter or remain in a relevant category of employment under the immigration rules in force on the date that the treaty concerning the accession of the Republic of Croatia to the European Union was signed (9th December 2011). This Statement applies the immigration rules as they were on 9th December 2011 with such modifications as are consistent with the provisions of that Annex which permits the United Kingdom to apply national measures that derogate from EU rules on the free movement of persons to the extent necessary to regulate access to the labour market.

The modifications are necessary to simplify the requirements which apply, to increase transparency and to ensure that the requirements go no further than permitted in EU law. For example, this Statement ensures that Croatian workers will only be required to meet the minimum skill level (NQF Level 4) that was applied to Tier 2 migrants under the immigration rules as they were on 9th December 2011, as opposed to the minimum skill level (NQF Level 6) that applies to Tier 2 migrants under the current immigration rules. Another example of a modification is the omission of unnecessary provisions, for example, there are no maintenance and accommodation conditions attached to the granting of a worker authorisation registration certificate in this Statement because this is outside the scope of the derogation that is permitted by the accession treaty (i.e. such conditions are not concerned with restricting access to the labour market).
