Immigration Rules paragraphs 46M-46R

This guidance tells you how to consider applications for sports visitors under paragraphs 46M–46R of the Immigration Rules.

Sportspeople and those working directly with them can visit the UK for a short time to take part in specific events. They can do this without permission to work or applying under the points-based system.

There are no provisions within the Immigration Rules to grant:

- Indefinite leave to remain (settlement) in any of the visitor categories.
- Entry to the UK as a dependant of a visitor. A dependant or family member will need to qualify in their own right in one of the visitor categories.

For more information, see related link: Immigration Rules – Part 2: paragraphs 40-56Z.

Taking part in a particular sporting event

[About this guidance](#)

[Key facts](#)

[Entry or extension requirements](#)

[Granting or refusing](#)

This page tells you what sporting events, or series of events, a sports visitor can do in the UK.

An amateur or professional sports person can come to the UK to take part in particular short term events or a series of events as a sports visitor providing it is for a genuine event and no longer than six months.

Definition of particular sporting events

'Particular events' are defined as:

- taking part, either as an individual or as part of a team, in a specific event or tournament, for example Wimbledon
- personal appearances and promotions, such as book signings, television interviews, guest commentaries, negotiating contracts, or to discuss sponsorship deals
- taking part in 'trials', providing it is not in front of either a paying or non-paying audience
- short periods of training, either as an individual or as part of team, providing they are not:
 - basing themselves here
 - being paid by a UK sporting body, or
 - joining a UK team where they are involved in friendly or exhibition matches.

Definition of a series of events

Paragraph 6 of the Immigration Rules defines a series of events as two or more linked events, such as a tour, or rounds of a competition, which do not add up to a league or a season.

A series of events can be:

- Football teams coming to the UK to participate in pre-season friendly matches or competitions against English clubs.
- Those coming for a series of events that, although not part of the same competition, are being held in the UK at the same time. For example, the AEGON tennis championship takes place immediately before Wimbledon. In such cases it would be unreasonable to expect players to return home and obtain fresh entry clearance.

Participation in an event not considered to be a sports competition

The rules do not define what they consider a sport. If you are concerned that a person applying to come to the UK as a sports visitor will not be participating in a genuine sport, you must discuss this with your higher executive officer (HEO) or entry clearance manager in the first instance.

Visitors undertaking permitted paid engagements

Where the applicant is seeking entry to undertake a paid engagement not covered by the sports visitors provisions, they may be able to qualify under the visitors undertaking permitted paid engagements route (PPE).

The PPE makes provisions for certain professionals (including sportspersons) to enter the UK for up to one month to undertake a paid engagement at the invitation of a UK based organisation. The activities that can be undertaken under the PPE provisions are limited to those specified in paragraph 56X(iii) of the Immigration Rules and set out in the PPE guidance. See related links.

The organisers must not be making a profit.

Definition of a charity event

A charity sporting event can be:

- a competition, such as the London marathon, or
- the following type of match:
 - testimonial
 - benefit
 - exhibition.

Requirements for joining an amateur club or team

The applicant must:
