

11 March 2011

Llywodraeth Cynulliad Cymru  
Welsh Assembly Government

Dear Sirs

**Consultation on the management of the UK's plutonium stocks**

The Assembly Government has noted this consultation on the options for managing the UK's civil plutonium stock.

The Assembly Government does not wish to comment at this stage on the proposals in the consultation paper. The Assembly Government will however continue to take part in the Radioactive Waste Policy Group including any consideration of work associated with managing the UK's civil plutonium stock

Yours faithfully
