**COUNCIL OF THE LONDON BOROUGH OF TOWER HAMLETS: INTERVENTION**

I am writing to let you know that the Secretary of State has determined with effect from today to increase your daily fee from £600 to £800 in line with the arrangements the Department has in Rotherham. The Secretary of State has also agreed that your maximum number of days in the first year of intervention without his prior approval is to be 150.

I would like to take this opportunity to thank you once again for your continuing assistance in this intervention. We are very grateful for your commitment to improve the performance of the Council so that it serves fairly and effectively all the communities within the Borough.

Yours sincerely,

**Paul Rowsell**
