Respective responsibilities of members of the committee and the auditors

As described in the Statement of Committees' Responsibilities set out on page 1, the Committee is responsible for the preparation of financial statements and for being satisfied that they give a true and fair view.

Our responsibility is to audit the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). These standards require us to comply with the Auditing Practices Board's Ethical Standard for Auditors.

We report to you our opinion as to whether the financial statements give a true and fair view and have been properly in accordance with the requirements of the Trade Union and Labour Relations (Consolidation) Act 1992. NATIONAL UNION OF MINeworkERS: COKEMEN'S AREA

Financial statements

for the year ended 31 December 2014

NATIONAL UNION OF MINEWORKERS: COKEMEN'S AREA

Executive committee report for the year ended 31 December 2014

The members of the committee presents this report and the financial statements for the year ended 31 December 2014.

Principal activity

The objects of the union are to support and put in effect the objects of the national union in so far as the members of the union are affected and to raise funds for mutual help, industrial and trade union purposes, and for the provision of benefits.

Executive Committee

The executive committee who served during the year are as stated below:

I Morgan	Secretary
D Thomas	President

Executive committee responsibilities

The members of the committee are responsible for preparing the financial statements in accordance with applicable law and regulations.

Trade Union law requires the members of the committee to prepare financial statements for each financial year. Under that law the members of the committee have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). The financial statements are required by law to give a true and fair view of the state of the affairs of the Union and of the surplus or deficit of the Union for that year. In preparing these financial statements the members of the committee are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The members of the committee are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Trade Union and Labour Relations (Consolidation) Act 1992. They are also responsible for safeguarding the assets of the Union and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the members of the committee are aware:

- there is no relevant audit information (information needed by the Union's auditors in connection with preparing their report) of which the Union's auditors are unaware, and
- the members of the committee have taken all the steps that they ought to have taken to make aware of any relevant audit information and to establish that the Union's auditors are aware of that information.

Respective responsibilities of members of the committee and the auditors

As described in the Statement of Committees' Responsibilities set out on page 1, the Committee is responsible for the preparation of financial statements and for being satisfied that they give a true and fair view.

Our responsibility is to audit the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). These standards require us to comply with the Auditing Practices Board's Ethical Standard for Auditors.

We report to you our opinion as to whether the financial statements give a true and fair view and have been properly in accordance with the requirements of the Trade Union and Labour Relations (Consolidation) Act 1992. We also report to you if, in our opinion, the Union has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding committee transactions with the club is not disclosed.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: the reasonableness of significant accounting estimates made by the committee; the overall presentation of the financial statements, and whether the accounting policies are appropriate to the club's circumstances, consistently applied and adequately disclosed.

A description of the scope of the audit of the financial statements is provided on the Financial Reporting Council's web-site at www.frc.org.uk/scope/private.cfm

Opinion on the financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the union's affairs as at 31 December 2014 and of its surplus for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice applicable to smaller entities; and
- have been properly prepared in accordance with the Trade Union and Labour Relations (Consolidation) Act 1992
