Welfare of Animals (Transport) (England) Order 2006
Welfare of Animals (Transport) (Scotland) Regulations 2006
Welfare of Animals (Transport) (Wales) Order 2007

Application for Control Post Approval

(Application to approve premises to rest cattle, sheep, pigs, goats and unregistered horses).

Please complete this form as fully as possible in BLOCK letters and send it, **giving as much notice as possible, and not less than 14 days**, to the local Animal and Plant Health Agency (APHA) office, so that an inspection can be arranged at a mutually convenient time. A letter of approval will be sent, if the premises and operating regime in place/to be put in place fully meets the required criteria.

A SKETCH/PLAN delineating the boundaries of the control post should be attached to this application form.

You may wish to discuss the criteria for new premises or changes to existing premises with your APHA office before submitting your application.

Applicant's Details

Your Name			
Full Postal Address

FAIR PROCESSING NOTICE

Defra, the Scottish Government, the Welsh Government and the Food Standards Agency are Data Controllers in Common in respect of personal data processed by the Animal and Plant Health Agency (APHA). For the purposes and usage of the data by APHA and the data sharing arrangements, please see the full Personal Information Charter on the APHA.gov.uk website. A hard copy of this can be provided if required; please contact your local APHA Field Service office. APHA will not permit any unwarranted breach of confidentiality or act in contravention of their obligations under the Data Protection Act 1998. APHA is an Executive Agency of the Department for Environment, Food and Rural Affairs and also works on behalf of the Scottish Government, Welsh Government and Food Standards Agency.

The Animal and Plant Health Agency is an Executive Agency of the Department for Environment, Food and Rural Affairs working to safeguard animal and plant health for the benefit of people, the environment and the economy.
