Keep up to date

We send our waterway investment programme to you as early as possible to help you plan your cruising over the winter. However, this programme is subject to change - for the most up to date version, please see www.gov.uk/river-thames-conditions-closures-restrictions-and-lock-closures where you will also find the information displayed on a map.

You can get the latest river information before you go boating, call our Floodline on 0345 988 1188 or 0845 988 1188. When prompted select option 1 followed by the quick dial number shown below.

River conditions and strong stream	011131
River works and lock closures	011132
River events which impact navigation	011133

We also send email updates on River Thames closures and restrictions, to subscribe to this service please email riverthames@environment-agency.gov.uk.

You can view the current river conditions at www.gov.uk/check-river-conditions-and-closures/river-thames where you can subscribe for email updates.
