REDACTED
Climategate timeline of events attached below.

Does this give you everything you need?

Thanks

Subject: Key dates for Climategate

Hi both

We're doing some evaluation of our climate literacy campaign (October – January) for Minister and REDACTEDhas asked if I'd be able to get hold of the key dates (and if possible any key lines/headlines) on what happened with the University of East Anglia/climategate coverage.
Is this something you might have on record? If so, could you send something through by close tomorrow?

Thanks
