EEA(PR)

Version 03/2016

Application for a document certifying permanent residence or permanent residence card under the EEA Regulations

This form is to be used for applications made on or after 18 March 2016

Who this form is for

Use this application form if you wish to apply for a document certifying permanent residence (if you’re an EEA national) or permanent residence card (if you’re a non-EEA national) as confirmation of a right of permanent residence under the Immigration (European Economic Area) Regulations 2006 (‘the EEA Regulations’).

Any reference on this form to EEA nationals includes Swiss nationals.

Eligibility

You must normally have lived in the UK for a continuous period of five years as:

• an EEA national ‘qualified person’ (worker, self-employed, self-sufficient, student or jobseeker),

• a family member or extended family member* of an EEA national qualified person or permanent resident,

• a former family member of an EEA national if you’ve retained your right of residence after the EEA national died or left the UK, or your/their marriage or civil partnership ended in divorce, annulment or dissolution, or

• a family member of a British citizen who worked or was self-employed in another EEA state before returning to the UK (‘Surinder Singh’ cases).

You can also qualify if you are:

• an EEA national former worker or self-employed person who has ceased activity in the UK because you have retired, are permanently incapacitated, or you’re now working or self-employed in another EEA state but still retain your residence in the UK,

• the family member or extended family member* of an EEA national who has ceased activity, or

• the family member or extended family member* of an EEA national former worker or self-employed person who has died.
*You can only apply as an extended family member if you’ve held valid residence documentation (registration certificate, residence card, or EEA family permit) throughout the relevant qualifying period.

Replace or renew your permanent residence document
You can also use this form if you have previously been issued with a document certifying permanent residence or permanent residence card (or equivalent document) and want to replace it because it has been permanently lost or stolen, or renew it because it has expired.

The fee
There is a fee of £65 for each person applying for a document certifying permanent residence or permanent residence card. See the payment guidance notes, enclosed with this form, for further information.

Your family members
You can include your family members (including extended family members) in this application if they also qualify for permanent residence.

You must pay an additional £65 for each family member you include. If your payment does not cover you and your family members, we will reject your application and return it to you without consideration.

Biometric information for non-EEA nationals
If you are a non-EEA national applying for a permanent residence card, you must give your biometric information (fingerprints and a digital photograph) before your application will be considered. If you do not, we may reject your application. See pages 7-13 of this form for further information.

Completing the application form
Complete all relevant sections of the form as directed. Use a black pen and write names, addresses and similar details in capital letters. In sections where you are asked to give your personal details and address, leave a space between each name and each part of the address.

You must also send the relevant evidence as specified in section 18 of this form and the guidance notes on our website at:

Only complete the sections of the form that are relevant to you. If a section does not apply to you, leave it blank.

You cannot use our premium service centres to apply for a document certifying permanent residence or permanent residence card.

How you can pay
You can pay by any of the following methods:

- Cheque/Bankers Draft
- Postal Order
- Credit card - Mastercard, Visa (including Electron) or American Express (Amex)
- Debit card - Delta, Maestro* (including Solo)

* Maestro - We can accept only Maestro cards issued in the UK.

Please note that when making large or multiple payments using your credit card, the anti-fraud measures that banks operate sometimes stop the full payment being taken. This can happen for a number of reasons. To prevent this you may inform your bank of your intention to make large or multiple payments in advance so that your bank allows the full payment to be taken when you submit your application. Please be aware that not all banks offer this service.
Cheques and postal orders

You must make the cheque or postal order payable to ‘Home Office’ and cross the cheque or postal order A/C Payee only. Please write the full name and date of birth of the applicant on the back of the cheque and/or each postal order and keep the postal order receipt(s). Please make sure that the date and the amount (words and figures) are correct and that the cheque is signed properly. Attach your cheque or postal order(s) to the front of the application form.

Completing the payment details page

To ensure that your payment is processed without any delay, please follow this guidance when completing the Payment Details section.

1-2 The address at 1 should be the contact address in the UK for any correspondence. If it is not your home address (eg a solicitor or other authorised immigration adviser may be submitting the application), give the contact name at 2.

3 This should be the full name of the main applicant as given in his or her passport or travel document.

4 Date of birth - for example, 3 January 1980 should be written 03 01 1980 in the spaces provided.

5 If you do not select a fee then we cannot take a payment and your application will be rejected as invalid.

9 The name as displayed on the credit/debit card

10 Card number - this is the long number across the centre of the card

11 The card security number is a three-digit security code known as the card verification value (CVV). It consists of the last three numbers on the signature strip on the back of the card as shown below. For Amex the security code consists of 4 digits and is found on the front of the card.

If you do not provide the CVV number, we cannot take the payment and your application will be rejected as invalid.

12 Cardholder’s signature - the person named on the credit/debit card must sign and date these sections.
Consideration process

• If the payment submitted does not cover the full cost of your application, it will be an invalid application and the form, together with any documentation submitted, will be returned to you.

• The fee charged is for the processing and consideration of the application. This fee will be payable once the application form is received by the Home Office or its payment processing agent, regardless of the outcome of the application. If your application contains errors or is missing information it may be rejected as invalid. Your application will not be considered and your fee will be refunded less an administration fee of £25 for each person included in the application.

• We cannot begin the consideration process until the payment has cleared. We allow 5 working days for payments made by cheque to clear, credit/debit cards and postal orders will clear immediately.

Biometric information for non-EEA nationals: form EEA(PR)

Note: this section applies to non-EEA nationals applying for a permanent residence card only. Do not complete this section if you are an EEA national applying for a document certifying permanent residence – proceed straight to section 1 instead.

If you are, or anyone included in this application is, a non-EEA national applying for a permanent residence card, you must complete this section in full. If you do not, we may reject your application and return it to you without consideration.

Introduction

In accordance with the Immigration (Provision of Physical Data) Regulations 2006 (as amended), any non-EEA national applying for a residence card as evidence of their right to reside under the Immigration (European Economic Area) Regulations 2006 (as amended) (‘the EEA Regulations’) must give their biometric information (fingerprints and a digital photograph) before their application will be considered. You must complete this section fully to ensure that we have the correct information when you attend your biometric appointment.

When we receive your application, we will send you a biometric enrolment letter. This will instruct you (and any non-EEA family members included in your application) to make an appointment at a designated Post Office to have your biometric information recorded. You will be charged an additional handling fee for this service, payable to the Post Office Ltd. You must pay the fee by cash or debit card when you attend your biometric enrolment appointment.

Do not send the biometric enrolment fee with your application fee.

Your application may be rejected as invalid if you do not enrol your biometric information when requested. For more information about biometrics, please visit [www.gov.uk/biometric-residence-permits](http://www.gov.uk/biometric-residence-permits)

Definitions

In this section, the term ‘residence card (biometric format)’ means a residence card, permanent residence card or derivative residence card issued under the EEA Regulations after you have given your biometric information. This is issued as a separate biometric card and not as a vignette or sticker in your passport, travel document, or other document.

If you currently have, or last had:

• a residence card (biometric format) confirming your right to reside under the EEA Regulations, or

• a biometric residence permit confirming that you had been granted leave to remain under the Immigration Rules or Immigration Act 1971,

you must include this document with your application (unless you have already returned the document to us).
