FOI Request 392

Thank you for your email sent to the Scotland Office on 17 February 2012.

You asked for the following information under the Freedom of Information Act 2000:

- *how many ministerial private office staff have been signed off work due to workplace stress, bullying or harassment since May 2010. How long were they signed off for, and what action was taken to support them to return to work? all emails, briefings, meeting notes and other materials that refer to workplace stress, bullying or harassment within ministerial private offices, and any action taken to address these issues.*

The Scotland Office has completed its search for information.

No Ministerial Private Office staff have been signed off work due to workplace stress, bullying or harassment since May 2010.

I hope you find this helpful.
