

Appendix F: Tier 5 (Temporary Worker) International Agreement

Introduction

This appendix is specific to the International Agreement sub category of Tier 5 (Temporary Worker) and will help you to work out whether you can sponsor a contractual service supplier or independent professional. You must also read the [full guidance for sponsors](#), which sets out all of the requirements for sponsorship under the Tier 5 (Temporary Worker) International Agreement (IA) sub category.

In the table that follows:

- 'WTO' refers to a World Trade Organisation member - the '[Understanding the WTO](#)' lists of all of the members
- 'CARIFORUM' refers to the EU-CARIFORUM Economic Partnership Agreement
- 'Chile' refers to the EU-Chile Free Trade Agreement
- 'Andean' refers to the EU-Andean Free Trade Agreement

How to use the table

1. What sector is your contract in?

You need to identify which sector the person who will supply a contracted service to you is operating in. This could be if your contract is for the supply of architectural drawings and advice, the relevant sector is 'architectural services'.

2. Look in column 1 to see if the sector is covered by an international trade agreement. If the sector is not listed, you cannot bring a contractual service supplier or independent professional to the UK under Tier 5 (Temporary Worker) (IA).

3. If the sector is listed read across the next 2 columns.
