## RESPONSE

21 December 2015

Dear,

I write further to your e-mail of 9 December 2014 in which you requested information regarding the Commissioner's current contracts with third party suppliers.

I am the Commissioner's Information Officer and it is my responsibility to reply to enquiries such as yours. I have attached the information which can be disclosed. Some of the information you have requested is exempt under section 43(2) of the Freedom of Information Act (FOI) and is therefore withheld. I can confirm in terms of section 1(1) of the FOI Act that the OISC does hold the information you have requested. However, I am withholding this information under s43(2) of the FOI Act as its release would be likely to prejudice the commercial interests of the third party and, in turn, the OISC. As section 43 is a qualified exemption, I am required by section 2(2) of the FOI Act to assess whether the public interest in maintaining the exemption outweighs the public interest in disclosing the information. Having considered whether it is in the public interest to disclose, I maintain my position to refuse disclosure. I do so, on the basis, that to release this information, would weaken the bargaining position of the OISC vis-a-vis suppliers during contractual negotiation in order to ensure that public money is spent effectively.

If you are dissatisfied with the handling of your request, you have the right to ask for an internal review. Internal review requests should be submitted within two months of the date of receipt of the response to your original request. Please quote the above reference number in any request for an internal review.

If you are not content with the outcome of the internal review, you have the right to apply directly to the Information Commissioner for a decision. Details on how to do this are on his website at <http://ico.org.uk/>

Kind Regards

For and on behalf of the Office of the Immigration Services Commissioner
