Essex County Council
Public Path Diversion Order 2015 Footpaths 5, 7, and 18 Clavering in the
District of Uttlesford

Notice is hereby given that the above referenced Order has have been submitted to the Secretary of State for Environment, Food and Rural Affairs for determination. An Inspector will be appointed by the Secretary of State to determine the Order.

The **start date** for the above Order is 30 June 2016.

Consideration of the Order will take the form of exchanges of statements of case and comments on statements of case.

The effect of the Order, if confirmed without modifications, will be to divert Public Footpaths 5, 7, and 18 in the parish of Clavering in the District of Uttlesford as shown on the Order map contained in this Order. Footpath 5 has not existed on its definitive line for many years and runs through a domestic garden and is obstructed by farm buildings. Footpath 7 has also not existed on its legal line and runs through the garden and close to the Moat House residence and across a crop field. Footpath 18 runs across a garden and terminates at its northern end where there is no footbridge, hence the need for diversion.

A part length of Footpath 5 Clavering commencing from the parish boundary where it connects with Footpath 10 Arkesden and running in a south westerly direction for a distance of 122 metres to grid reference 54630,23460 where it connects with Footpath 7 Clavering then continuing in a southerly direction for a further distance of 15 metres to grid reference 54630,23458 then in a south westerly direction through an agricultural building and the garden of Clavering Farm for a final distance of 520 metres to grid reference 54602,23439 is being diverted to a new route 2 metres in width commencing from the unaffected part of Footpath 5 and running in a northerly then north easterly then easterly direction along the north side of the garden boundary hedge for a distance of 255 metres to grid reference 54622,23449 to the west of the farm buildings then continuing in a northerly direction for a final distance of 87 metres to grid reference 54622, 23459 where it will connect with the new section of Footpath 7.

The entire length of Footpath 7 commencing from grid reference 54564,23471 and meandering but running in a generally easterly direction across the crop field then around the northern side of the property known as the Moat House then in a southerly direction for a total

distance of approximately 815 metres to where it connects to Footpath 5 will be diverted to a new route 2 metres in width commencing from grid reference 54566,23476 and running in an easterly direction along an established track for a distance of 554 metres to grid reference 54622,23469 then in a southerly direction along the track for a distance of 112 metres then continuing in a south easterly then easterly direction for a final distance of 97 metres to where it connects to Footpath 18.

A part length of Footpath 18 commencing from grid reference 54639, 23465 on the east side of the stream in the parish of Arkesden running across the stream in a westerly direction then in a south westerly direction through the grounds of The Moat House for a distance of 122 metres to where it connects to Footpath 5 then continuing in a southerly direction for a further distance of 24 metres to grid reference 54630,23456 west of the lake will be diverted to a new route 2 metres in width commencing from where it connects to Footpath 8 and running across the existing footbridge in a westerly direction along the field boundary on the north side of the hedge for a distance of 173 metres to where it will connect with the new section of Footpath 7.
