8. Local authorities in two tier areas must confirm that they have taken all reasonable steps to ensure that the number of properties reported in their claim excludes those reported in claims submitted by neighbouring and constituent local authorities
9. Local authorities who have made a claim under the first tranche of the Severe Weather Recovery Scheme must confirm that none of the properties notified in any subsequent claim were included in their initial claim.

### **Distribution of grant**

11. Grant will be distributed using a simple formula based on the number of residential and commercial properties affected (water having entered the property) as a proxy for scale of wider impacts.

### **Claims**

12. Claim form *Recovery (02-14)* is to be used when making the claim. The claim should be signed by the authority's Chief Financial Officer and sent by email to [swrs2@communities.gsi.gov.uk](mailto:swrs2@communities.gsi.gov.uk) to arrive no later than **5 pm on Friday 6th June 2014**.

13. A final claim received after this deadline will be disregarded unless an extension to the deadline is agreed as a result of exceptional circumstances beyond an authority's control.
14. **The claim form must be certified by the Chief Financial Officer to the effect that it complies in all respects with the terms of this scheme.**
15. The Department for Communities and Local Government will check the claim form on receipt, and may request the authority for evidence to validate the claims submitted by authorities. When a claim has been accepted, the Department for Communities and Local Government will notify the local authority and confirm that payment of the agreed grant can be made.
