List of medical facilities/practitioners in Brazil

Prepared by the British Consular Network in Brazil

[www.gov.uk/world/brazil](http://www.gov.uk/world/brazil)

The following list of medical facilities/practitioners has been prepared by the British Consular Network in Brazil for the convenience of British Nationals who may require these services and assistance in Brazil. It is provided on the understanding that we (the British Embassy/Consulates) do not assume or undertake any legal responsibility, to you, or those affected, if you choose to take it into account when instructing a medical facility or practitioner.

Further and alternatively, we cannot accept any liability to any person or company for any financial loss or damage arising from the use of this information or from any failure to give information.

Our aim is to provide our customers with as much relevant information to enable them to make better informed decisions but our lists are not recommendations and should not be treated as such.
