of Energy &
Climate Change

**THE OFFSHORE COMBUSTION INSTALLATIONS (POLLUTION
PREVENTION AND CONTROL) REGULATIONS 2013 (“THE OFFSHORE
(PPC) REGULATIONS 2013”)**

FORM OF PUBLIC NOTICE

In accordance with the requirements of the Offshore Combustion Installations (Pollution Prevention and Control) Regulations 2013, BP Exploration Operating Company Limited has applied to the Secretary of State for Energy and Climate Change (DECC) for a permit to operate combustion installations at the Schiehallion in Block 204/20.

As required under regulation 5(1), the Department hereby gives notice of the above application. Copies of the application may be obtained on request either by e-mail (EMT@decc.gsi.gov.uk), telephone (01224 254145), by fax (01224 254019), or in writing to the address below.

In accordance with Regulation 5(2)(e), this application is not considered likely to have significant negative effects on the environment of another Member State and does not require an environmental impact assessment or consultation with another Member State before a decision in respect of the application can be made.

Individuals wishing to comment on the application have until the 25 May 2016 to make representations to the Secretary State for Energy and Climate Change in the form of an e-mail, facsimile or letter quoting reference Glen Lyon [Schiehallion Field] in Block 204/20 PPC/82/0 application and addressed to:

Department of Energy and Climate Change
Environmental Management Team
Energy Development Unit (EDU)
4th Floor, Atholl House
86-88 Guild Street
ABERDEEN AB11 6AR

EMT@decc.gsi.gov.uk

The Secretary of State considers that there is no other information relevant to the application.

Copies of representations received may be made publicly available. Following receipt of all views and representations the Secretary of State will either grant or refuse consent for the proposal (with or without conditions). Notice of the Secretary of State’s decision will be published in the London, Edinburgh and Belfast Gazettes, and on the Department of Energy and Climate Change, Oil and Gas website within 28 days of the date by which representations from the public must be received.

All communications relating to this notice should be addressed to:

EMT@decc.gsi.gov.uk or
