Software solutions

"Please find below a request for information made under the Freedom of Information Act. I would be very grateful if you could supply the requested information on your department:

• How many software solutions have been purchased by your department since 1st April 2013 up to the date of this request?

• Of these solutions, how many were open source solutions and how many were proprietary?"

DFID has purchased three software solutions since 1st April 2013. Two were Software as a Service Cloud services (both proprietary) and one was built in-house (open source).
