THE EXCHANGE OF INFORMATION RELATING TO TAXES**

The Government of the United Kingdom of Great Britain and Northern Ireland and the Government of The Oriental Republic of Uruguay, desiring to facilitate the exchange of information with respect to certain taxes have agreed as follows:

ARTICLE 1

Object and Scope of the Agreement

The competent authorities of the Contracting Parties shall provide assistance through exchange of information that is foreseeably relevant to the administration or enforcement of the domestic laws of the Contracting Parties concerning taxes covered by this Agreement. Such information shall include information that is foreseeably relevant to the determination, assessment and collection of such taxes, the recovery and enforcement of tax claims, or the investigation or prosecution of tax matters. Information shall be exchanged in accordance with the provisions of this Agreement and shall be treated as confidential in the manner provided in Article 8. Exchange of Information Upon Request

- 1. The competent authority of the requested Party shall provide upon request information for the purposes referred to in Article 1. - 3. If specifically requested by the competent authority of an applicant Party, the competent authority of the requested Party shall provide information under this Article, to the extent allowable under its domestic laws, in the form of depositions of witnesses and authenticated copies of original records.

Notwithstanding the preceding sentence, this Agreement does not create an obligation on the Contracting Parties to obtain or provide

ownership information with respect to publicly traded companies or public collective investment funds or schemes unless such information can be obtained without giving rise to disproportionate difficulties.

5. The competent authority of the applicant Party shall provide the following information to the competent authority of the requested Party when making a request for information under the Agreement to demonstrate the foreseeable relevance of the information to the request:

- a) the identity of the person under examination or investigation;

Possibility of Declining a Request

1. The requested Party shall not be required to obtain or provide information that the applicant Party would not be able to obtain under its own laws for purposes of the administration or enforcement of its own tax laws.
2. The Competent Authority of the requested Party may decline to assist where the request is not made in conformity with this Agreement.

 - b) produced for the purposes of use in existing or contemplated legal proceedings.

4. This Agreement shall not impose on a requested Party the obligation to supply information which would disclose any trade, business, industrial, commercial or professional secret or trade process. Notwithstanding the foregoing, information of the type referred to in paragraph 4 of Article 5 shall not be treated as such a secret or trade process merely because it meets the criteria in that paragraph.

5. The requested Party may decline a request for information if the disclosure of the information would be contrary to public policy.

6. The requested Party may decline a request for information if the information is requested by the requesting Party to administer or enforce a provision of the tax law of the requesting Party, or any requirement connected therewith, which discriminates against a national of the requested Party as compared with a national of the requesting Party in the same circumstances.

7. A request for information shall not be refused on the ground that the tax claim giving rise to the request is disputed.

ARTICLE 8

Confidentiality

Any information received by a Contracting Party under this Agreement shall be treated as confidential and may be disclosed only to persons or authorities (including courts and administrative bodies) in the jurisdiction of the Contracting Party concerned with the assessment or collection of, the enforcement or prosecution in respect of, or the determination of appeals in relation to, the taxes covered by this Agreement or the oversight of the above. Such persons or authorities shall use such information only for such purposes. They may disclose the information in public court proceedings or in judicial decisions. The information may not be disclosed to any other person or entity or authority or any other jurisdiction without the express written consent of the competent authority of the requested Party.

ARTICLE 9

Costs

Incidence of costs incurred in providing assistance shall be agreed by the competent authorities of the Contracting Parties.

ARTICLE 10

Implementation Legislation

The Contracting Parties shall enact any legislation necessary to comply with, and give effect to, the terms of this Agreement.

ARTICLE 11

Mutual Agreement Procedure

1. Where difficulties or doubts arise between the Contracting Parties regarding the implementation or interpretation of this Agreement, the competent authorities shall endeavour to resolve the matter by mutual agreement.
2. In addition to the agreements referred to in paragraph 1, the competent authorities of the Contracting Parties may mutually agree on the procedures to be used under Articles 5 and 6.
3. The competent authorities of the Contracting Parties may communicate with each other directly for the purposes of reaching agreement under this Article.

ARTICLE 12

Entry into Force

Each of the Contracting Parties shall notify to the other through diplomatic channels the completion of the procedures required by its law for the bringing into force of this Agreement. This Agreement shall come into force on the date of the later of these notifications and shall thereupon have effect;

- a) for criminal matters on that date; and
- b) for all other matters covered in Article 1, on that date, but only in respect of taxable periods beginning on or after that date, or where there is no taxable period, all charges to tax arising on or after that date.

ARTICLE 13

Termination

1. Either Contracting Party may terminate the Agreement by serving a notice of termination through diplomatic channels.
2. Such termination shall become effective on the first day of the month following the expiration of a period of six months after the date of receipt of notice of termination by the other Contracting Party.
3. If this Agreement is terminated the Contracting Parties shall remain bound by the provisions of Article 8 with respect to any information obtained under the Agreement.
