

Application for an environmental permit

Part C0.5 – Administrative variation of a standard or bespoke permit

You should only use this form for administrative changes – read the guidance notes for this form before filling it in. Please check that this is the latest version of the form available from our website.

Fill in this form if you are only applying to make an administrative change to your permit. If you are changing any address or contact details you should also fill in part A with the new details.

You do not need to resend any information from your original permit application if it is not affected by your proposed changes.

Please read through this form and the guidance notes that came with it.

The form can be:

- 1 Saved onto a computer and then filled in. Please note that the form follows a logic that means questions will open

or stay closed depending on a previous answer. So you may not be able to enter text in some boxes.

- 2 Printed off and filled in by hand. Please write clearly in the answer spaces.

For more guidance on what we consider to be an administrative change see the Environment Permitting Change Scheme Guidance at www.environment-agency.gov.uk.

It will take less than one hour to fill in this form.

4 The Data Protection Act 1998

We, the Environment Agency, will process the information you provide so that we can:

- deal with your application;
- make sure you keep to the conditions of the licence, permit or registration;
- process renewals; and
- keep the public registers up to date.

We may also process or release the information to:

- offer you documents or services relating to environmental matters;
- consult the public, public organisations and other organisations (for example, the Health and Safety Executive, local authorities, the emergency services, the Department for Environment, Food and Rural Affairs) on environmental issues;
- carry out research and development work on environmental issues;
- provide information from the public register to anyone who asks;
- prevent anyone from breaking environmental law, investigate cases where environmental law may have been broken, and take any action that is needed;
- assess whether customers are satisfied with our service, and to improve our service; and
- respond to requests for information under the Freedom of Information Act 2000 and the Environmental Information Regulations 2004 (if the Data Protection Act allows). We may pass the information on to our agents or representatives to do these things for us.

5 National security

We would normally put all the information in your application on a public register of environmental information. However, we will not include certain information in the public register if this is in the interests of national security.

Please remember that adding a claim to the application that the information is confidential is not an administrative change, unless you are claiming that the information is confidential for national security reasons.

You can tell the Secretary of State that you believe including the information on a public register would not be in the interests of national security. You must enclose a letter with your application telling us that you have told the Secretary of State and you must still include the information in your application. We will not include the information in the public register unless the Secretary of State decides that it should be included.

You can find guidance on national security in 'Environmental permitting guidance: core guidance' published by Defra and available at gov.uk.

You cannot apply for national security via this application.

Now fill in section 6.
