

# Application for an environmental permit Part D2 – Application for transfer (installations, waste operations and mining waste operations only)

**If you want to transfer all, or part of, your existing permit to another person, you must get the person who will take on the permit to fill in parts A, D2 and F1. Please check that this is the latest version of the form available from our website.**

**The current holder of the permit has to tick the relevant declaration in section 6 part F.**

**Note: we will issue a letter to both current and new holders to confirm the transfer. If you are changing address we will need to send this letter to your new address; therefore please tell us your new address in a separate letter.**

**Please read through this form and the guidance notes that came with it.**

The form can be:

- 1 Saved onto a computer and then filled in. Please note that the form follows a logic that means questions will open or stay closed depending on a previous answer. So you may not be able to enter text in some boxes.
- 2 Printed off and filled in by hand. Please write clearly in the answer spaces.

It will take less than two hours to fill in this form.

## 1 About the people involved in a transfer of a permit

### 1a Discussions before your application

If you have had discussions with us before your application, provide the permit reference or details on a separate sheet and tell us below the reference you have given the document.

Permit or document reference

### 1b Permit number

What is the permit number that this application relates to?

### 1c Site details

What is the name, address and postcode of the site?

Site name

Address

Postcode

## 2 About the transfer

**Are you applying to transfer all or part of the permit to yourself?**

All of the permit

Now go to section 4

Part of the permit

Now go to section 3

## 3 About the parts of the permit you want to transfer

Fill in Table 1 listing the activity to be transferred.

### 3a Supply a map or plan identifying the part (or parts) of the permit your application relates to

Document reference of the map or plan

### 3b Fill in Table 1 listing the installation, waste facility or mining waste operations you want to transfer to yourself

If you are also transferring any directly associated activities, you should identify these separately in the table.

**3 About the parts of the permit you want to transfer, continued**

Fill in a separate table for each activity you are applying to transfer to yourself. Use a separate sheet if you have a long list and send it to us with your application form. Tell us below the reference you have given the extra sheet.

Document reference of the extra sheet \_\_\_\_\_

**Table 1 – Parts of the permit you want to transfer**

Activity reference			Description of the waste facility or waste mobile plant	Description of the mining waste operation	Standard facility	Proposed operator
Installations or part A mobile plant only						
Schedule 1 references	Description of the activity	Directly associated activity				

You do not need to fill in the rest of this form if you are transferring standard facilities only. Now fill in section 4.

**3c In your view, will transferring part of the permit lead to shared operations that will need you to apply to vary (change) the permit conditions?**

No

Yes  Provide a written explanation

Document reference of this explanation \_\_\_\_\_

Now fill in the relevant parts of C1 to C6 if you have answered ‘yes’ to question 3c above, and go to section 4 in all cases.

**4 Your ability as the new operator**

**4a Whole permit transfers only**

If you are applying to transfer the whole permit and can demonstrate that management will stay substantially the same as that of the current holder, you will pay a lower application charge.

If the permit is transferred to you, will you manage the activities the permit is for in largely the same way, and can you provide evidence of this?

No  Now answer questions 4b to 4e

Yes  Now answer questions 4b, 4c and 4d only

#### 4 Your ability as the new operator, continued

##### 4b Relevant offences (applies to all except standalone surface water discharges and groundwater discharges – see the guidance notes on part D2)

How do you plan to make financial provision?

Bonds

Escrow account

Trust fund

Lump sum

Other

Now go to question 4e

## 4 Your ability as the new operator, continued

### 4e Management systems

You do not need to fill this in if you answered 'yes' to question 4a.

You must have an effective, written management system in place that identifies and reduces the risk of pollution. You may show this by using a certified scheme or your own system.

Your permit requires you (as the operator) to ensure that you manage and operate your activities in accordance with a written management system.

You can find guidance on management systems on our website at [www.gov.uk/environment-agency](http://www.gov.uk/environment-agency).

Tick this box to confirm that you have read the guidance and that your management system will meet our requirements

What management system will you provide for your regulated facility?

- EC Eco-Management and Audit Scheme (EMAS)
- EMAS Easy
- ISO 14001
- BS 8555 (Phases 1–5)
- Acorn
- Green Dragon
- Own management system

Please make sure you send us a summary of your management system with your application.
