WORK OF THE DEPARTMENT

The Government Legal Department (GLD) is the largest provider of legal services across government, working with all the main Whitehall Departments. From roads to rivers, and health to human rights, our work touches on most aspects of public life.

The department has more than 14 client-facing advisory teams who provide legal advice on the development, design and implementation of government policies and decisions, draft secondary legislation and work with Parliamentary Counsel on primary legislation. Our cross-cutting expert service groups for Litigation, Employment and Commercial Law provide specialist legal services to a wide range of government departments and public bodies.

We are a non-ministerial government department with more than 1,800 employees, around 1,300 of who are solicitors or barristers. The department is based primarily in London but has teams in Bristol and Leeds.

As an organisation our vision is to be trusted by government to provide consistently excellent and value for money services so government departments want to come to us to meet their legal needs, to be known throughout the legal profession for the quality of our legal work, and to be the best employer for our people.

The Division

DfT Legal Advisers is a client-facing advisory team providing advice to the Department for Transport across the wide range of its functions. The Department for Transport's vision is to deliver a transport system that works for everyone and that, by always putting passengers and motorists first, will make people's journeys safer, cleaner, faster and more affordable today, while building the capacity we need for tomorrow. The Department for Transport provides leadership across the transport sector to achieve its objectives, working with regional, local and private sector partners to deliver many of the transport services people use today.

DfT Legal Advisers has around 95 lawyers and is headed by Nick Olley. The Division is based at the Department's principal office in Horseferry Road in Westminster. We are organised into a number of sector based legal teams, and work closely with ministers and policy officials in DfT and across Whitehall.

The policy and political environment is fast-moving, and the Department for Transport has a major legislative, regulatory and commercial portfolio. We need to ensure that the Department for Transport receives high quality advisory legal services to support the full range of its activities. DfT needs robust support in taking decisions, often controversial, and in defending challenges to them.

VACANCY DESCRIPTION

These roles are within the sectoral cluster of four teams which support the Rail Group and High Speed Rail Group. The Department for Transport needs increasing legal support for its Rail Group and the High Speed Rail Group in particular in respect of the significant commercial work in the two Groups.

The Government's rail programme has never been more ambitious. Rail Group's remit encompasses some huge infrastructure projects, including the InterCity Express Programme, Thameslink and Crossrail - the biggest construction project in Europe. Rail Group is running a bigger franchising programme than ever before. Rail Group and High Speed Rail Group are also working with HS2 Ltd and Network Rail to plan and deliver the railway of the future, as well as managing today's network through a period of major change.

Both Groups are doing all of this against a backdrop of a highly complex and interconnected rail industry. Network Rail, train operating companies, rolling stock companies, manufacturers, the regulator and the wider supply chain all have roles to play. There are different levels of devolution to Scotland, Wales, London and some Passenger Transport Executives (PTEs). In turn, the rail industry links to a wider transport infrastructure, including ports, airports, roads and local transport.

There is significant political and media interest in rail which makes the work that both Groups and the lawyers who support them exceptionally high profile.

Current issues our lawyers in these teams are working on include:

- High Speed 2 – developing, legislating and building a new high speed rail line from London to Birmingham and onwards to Leeds and Manchester;
- Crossrail – to bring it into service in 2018;
- Crossrail 2 – proposals for a North-South cross London line
- The refranchising programme for rail franchises in England (such as the recently announced West Coast Partnership preparing the way for High Speed 2);
- Advising on issues relating to existing franchises agreements (such as changes to the franchise to improve mobile connectivity in line with the Government’s manifesto commitment);
- Advising on reforms to fares and ticketing arrangements;
- Advising on potential structural changes to the railway to align incentives and deliver efficiencies;
- Advising on the creation of the next regulatory settlement for the railways and the treatment of enhancements;
- Advising on achieving more effective and diverse use of railway assets (such as the space under railway arches) without compromising the operational railway.

RECRUITMENT PROCESS

Applicants are asked to complete the online application form, which will include minimum eligibility questions and responses on the ‘legal professional skills’ and motivational fit competencies (see below).

We are serious about getting people in our business with the right motivation and skills to be successful. Candidates meeting the advertised minimum eligibility criteria may be asked to complete an online Critical Reasoning Test before selection for interview.

If you are unable to complete your application online, please contact GLSQualified@TMPW.CO.UK for details of how to complete a paper application.

We may email those applicants who meet the advertised minimum eligibility criteria a link to the test on receipt of their application. This may be before the closing date, and will be before the interview.

Applicants will have 5 days to complete the test – please ensure you check your email inboxes carefully including junk folders as we cannot guarantee receipt to your main inbox. If concerned please contact the GLD Recruitment Team for advice (see contact details below).

If selected, on the day of the interview you will be asked to undertake a written exercise in addition to the traditional interview. We may hold a reserve list if the number of successful candidates after interview exceeds the number of available vacancies.

MINIMUM ELIGIBILITY CRITERIA

Academic

Applicants **should** have a minimum of a 2:1 honours degree in their first degree (in any subject). Where an applicant holds an overseas degree qualification this should be equivalent to a 2.1 degree. However, this Department will consider applicants who do not have a 2.1 degree but only where satisfactory evidence of equivalent high level academic and/or professional achievement can be provided (e.g. via relevant experience and results achieved for the Graduate Diploma in Law (GDL)/CPE, Legal Practice Course (LPC), Bar Professional Training Course (BPTC)).

The recruiting department has specified this as: Applicants must be qualified to practise as a Solicitor, Barrister or Chartered Legal Executive in England and Wales. You must have completed a training contract/pupillage/qualifying employment, or have been exempted from this by the Law Society, the Bar

Council or CILEx. Applicants qualified in a jurisdiction outside England and Wales will be required to undertake the Qualified Lawyers Transfer Scheme within 18 months of appointment.

Professional entry criteria for Chartered Legal Executives (i.e. Fellows): Chartered Legal Executives are eligible to apply where (i) a Qualifying Law Degree (QLD) is held; or (ii) the Graduate Diploma in Law (GDL)/CPE has been completed; or (iii) where exams have been passed (i.e. a score of 50% or above achieved), at CILEx Level 6*, in all of the following seven foundation subjects in law:

1. Contract Law

Chartered Legal Executives should note that the GLS will be willing to accept an, overall, average score of 65% or above across exams passed in the seven foundation subjects in law (where studied at CILEx Level 6) as demonstrating 2.1 degree equivalence (where a 2.1 degree is not held).

Nationality

The GLS is part of the wider Civil Service and therefore the [Civil Service nationality rules apply](#). If a post is described as 'reserved', then only UK nationals will be eligible to be able to apply. If a post is advertised as a 'non-reserved' post, as our posts generally are, those listed below will be eligible to apply:

- UK Nationals (and British Protected Persons);
- Commonwealth citizens and nationals of the European Economic Area (EEA);
- Individuals with dual nationality where one part is British; and
- Certain family members of EEA, Swiss and Turkish nationals (as set out in the Civil Service nationality rules).

Please note that it is possible to meet the above nationality requirements and still not be legally entitled to work in the UK. [UK Visas and Immigration](#) operates a points-based immigration policy which applies to the migrants from outside the European Economic Area, Switzerland and Turkey.

It is the applicant's responsibility to check whether this policy applies to them. When applying, applicants will be asked about their nationality at birth, whether they are subject to immigration control, whether there are any restrictions on your continued residence or employment in the UK etc. Detailed document checks will be made prior to employment.

Applications will be accepted from those applicants who may require sponsorship for a work permit under the UK Border Agency's points-based immigration policy. Applications which require sponsorship will, however, only be considered if no suitable settled worker is identified for the position.

GUARANTEED INTERVIEW SCHEME

GLD will guarantee an interview to any disabled applicant who meets the minimum criteria. The Equality Act 2010 defines a disabled person as someone who has a physical or mental impairment which has a substantial and adverse long-term effect on his or her ability to carry out normal day-to-day activities.

To meet the minimum criteria, candidates applying under the terms of the Guaranteed Interview Scheme (GIS) must:

- Meet all aspects of the stated minimum eligibility criteria (i.e. academic, nationality, and professional criteria);
- Meet the standard set for the Critical Reasoning Test (where used); and
- Obtain a minimum score for (i) the GLS core competencies being assessed at the application stage and (ii) against any job specific criteria specified.

Candidates applying under the terms of the GIS, who meet the minimum criteria outlined above, will be invited to attend an interview.

PRE-EMPLOYMENT CHECKS

All government departments are required to ensure that any personnel employed by them comply with the Baseline Personnel Security Standard (BPSS) before they take up employment.

This standard involves verification of identity; nationality and immigration status (including an entitlement to undertake the work in question); employment history (past 3 years) and criminal record (unspent convictions).

You will be asked to produce original documents when attending interview to enable us to verify the above if you are successful. The information which you provide will be treated in the strictest confidence by the GLS and its authorised representative (TMP Worldwide).

Supplying false information or failing to disclose relevant information could be grounds for rejection of your application, or, dismissal and could amount to a criminal offence.

Your referees will not be approached until your permission has been obtained following success at interview.

Regarding criminal record checks, a basic disclosure will normally be required (covering convictions considered unspent under the Rehabilitation of Offenders Act 1974). While information will be gathered at interview for timeliness, BPSS checks will only be run on successful candidates.

Successful candidates will also be required to be cleared to SC (security check) level.

Some posts will require clearance to a level higher than SC in view of the sensitive nature of the work. You will be told if this applies to you. Details of HM Government vetting policy can be found here: <https://www.gov.uk/government/publications/hmg-personnel-security-controls>

DATA PROTECTION

The information which you provide will be protected and processed for the purpose of successful completion of the Baseline Personnel Security Standard, in accordance with the requirements of the Data Protection Act (1998).

If you have any concerns about any of the questions which you are asked to complete or what we will do with the information you provide, you should discuss these with the GLS Recruitment Team.
