

Appendix i - Weekly Collection Support Scheme Bidding Timetable

When...	What...	Information
16 March 2012	Expression of Interest	Broad overview including: make up of bid, how it will meet the criteria and other considerations such as procurement, planning and state aid.
11 May 2012	Outline Bid	Bid including: general information about current waste collection, the proposed collection improvements, breakdown of funding sought, waste management outcomes, innovative element of bid, timeline of bid and risk register.
17 August 2012	Final Bid	As the outline bid, but strengthened due to feedback from the Weekly Collection Support Scheme policy team and sign off from the Section 151 officer.

At any stage in this process we may ask for additional information or provide advice if and where bids can be strengthened.

It is our intention to announce final decisions about which bids receive funding by October 2012.
