

## River Thames lock mooring charges

1 April 2017 to 31 March 2018

### Base moorings at locks

Lock moorings are invoiced annually in advance, based on the appropriate tariff under one of the boat type descriptions below. To calculate the cost, the tariff is multiplied by the length of the boat (in metres) and then multiplied by the number of months depending on whether a summer (6 month) or winter (12 month) mooring. See **Additional charges and discounts** below. Tariff descriptions are on page 2.

\* The tariffs shown below include 20% VAT.

#### Cabin boat tariffs

Tariff 1: £13.54 \*

Tariff 2: £16.26 \*

Tariff 3: £17.61 \*

#### Unpowered open boats (25% of the appropriate cabin tariff)

Tariff 1: £3.39 \*

Tariff 2: £4.06 \*

Tariff 3: £4.41 \*

#### Powered open boats (30% of the appropriate cabin tariff)

Tariff 1: £4.06 \*

Tariff 2: £4.88\*

Tariff 3: £5.28 \*

#### Dry storage tariff

Dry storage ashore on Environment Agency property: £2.02 \*

#### Additional charges and discounts

- Sites downstream of Reading (including Blakes Lock) attract a market supplement of 25%
- Remote sites with poor access for moorers (Godstow, Days and Temple locks) have a 25% discount
