Applications can be made in person at a Premium Service Centre for a same day consideration of your application. There is an additional fee for this service and all fees will be taken when you book an appointment. You can only make on-line or in person payments by using one of our accepted credit or debit cards (see below). If you are claiming an exemption from paying the fee because you are under the age of 18 and in the care of social services at the time of application, tick the box at item 5 on page 4 to confirm this.

Unless you are in the care of social services at the time of making the application and have ticked the box at item 5 on page 4 to confirm this, please note that your application will be rejected as invalid if you have not sent a fee.

Please note that your application will be rejected as invalid if you do not pay the specified fee.

We cannot begin the consideration process until the payment has cleared. We allow 5 working days for payments made by cheque to clear, credit/debit cards and postal orders will clear immediately.

The fee charged is for the processing and consideration of the application. This fee will be payable once the application form is received by the Home Office or its payment processing agent, regardless of the outcome of the application. If your application contains errors or is missing information it may be rejected as invalid. Your application will not be considered and your fee will be refunded less an administration fee of £25 for each person included in the application.

If you are applying under one of the above categories failure to tick the box at item 5 on page 4 will result in your application being rejected if you have not sent a fee.

Biometric Enrolment Fee

As part of your application you are required to enrol your biometric information. You will be charged an additional handling fee for this service, payable to the Post Office Ltd. You must pay the fee by cash or debit card when you attend Post Office Ltd to enrol your biometrics. Each dependant included on your application must also pay this fee when they enrol their biometric information. Do not send the biometric enrolment fee with your application fee.

Applicants on some immigration routes are exempt from paying an enrolment fee at the Post Office Ltd. If you are in one of these categories you will be informed of this when we send you a biometric notification letter.

Your application may be rejected as invalid if you do not enrol your biometrics when requested. For more information about enrolling biometrics and the current fee, please visit the following section of our website: www.gov.uk/biometric-residence-permits

Who May Apply With You?

The immigration rules for the categories for which you must use form SET(F) do not allow any dependants. In view of this, nobody may apply with you as your dependant on form SET(F). They must apply separately in their own right.

See the separate guidance notes mentioned on the front page of this form for more information.

You must pay by one of the methods specified below.

To ensure that your payment is processed without any delay please complete the correct payment details page and note the points below when doing so.

11 The card security number is a three-digit security code known as the card verification value (CVV). It consists of the last three numbers on the signature strip on the back of the card as shown below.

Please note that when making large or multiple payments using your credit card, the anti-fraud measures that banks operate sometimes stop the full payment being taken. This can happen for a number of reasons. To prevent this you may inform your bank of your intention to make large or multiple payments in advance so that your bank allows the full payment to be taken when you submit your application.

Please be aware that not all banks offer this service.
