

Service children in State Schools (SCISS)

invites you to attend a **free** conference on the historic
University of Winchester West Downs Campus.

The SCISS South East conference is aimed at school staff and leaders (including governors), LA officers and welfare professionals who support service pupils.

Wednesday 13th September 2017

09:00 - 15:30

Refreshments and lunch provided

Celebrate SCISS' achievements and shape our future aims in support of Service children

Explore the cultural wealth and challenges of our forces families' diverse cultures

Learn about a Children's Society project around young carers in military families

Discuss the impact of bereavement and separation and strategies to use in support

Share case studies and learn how to get your story across to Ofsted

To book your free place please visit
