<b>OVERALL TOTAL FOR GREAT BRITAIN</b>		<b>35409</b>	<b>179178</b>

Data valid to 30 April 2017

Footnotes:

1. In counties where incidence is low, the number of confirmed cases may show a reduction when purchased cases are reallocated to other premises in a different county.
2. There are 5 farms and cases not included in this table due to being reported before BSE was notifiable. These cases do not have enough data to attribute them to a region.
