How to pay

Paying by cheque

Cheque details

Cheque made payable to	<input type="text"/>
Cheque number	<input type="text"/>
Amount	£ <input type="text"/>

You should make cheques payable to ‘Environment Agency’ as appropriate and make sure they have ‘A/c Payee’ written across them if it is not already printed on.

Please write the name of your company and a reference number (this can be the site reference or permit reference – contact us if you don’t know either of these) on the back of your cheque.

We will not accept cheques with a future date on them.

Paying by credit or debit card

If you are paying by credit or debit card, please fill in the separate form CC1 (available from www.gov.uk/government/publications/form-cc1-environmental-permit-card-payments). We will destroy your card details once we have processed your payment. We can accept payments by Visa, MasterCard or Maestro cards only.

Paying by electronic transfer

If you choose to pay by electronic transfer:

- use the information overleaf to make your payment;
- payments made from outside the United Kingdom must be in sterling – use the relevant IBAN/SWIFTBIC number;
- also send your payment details and a reference number (this can be the site reference or permit reference – contact us if you don’t know either of these) to the relevant email address overleaf.

If you do not quote your reference number (this can be the site reference or permit reference), there may be a delay in processing your payment and application.

4 The Data Protection Act 1998

We, the Environment Agency, will process the information you provide so that we can:

- deal with your application;
- make sure you keep to the conditions of the licence, permit or registration;
- process renewals; and
- keep the public registers up to date.

We may also process or release the information to:

- offer you documents or services relating to environmental matters;
- consult the public, public organisations and other organisations (for example, the Health and Safety Executive, local authorities, the emergency services, the Department for Environment, Food and Rural Affairs) on environmental issues;
- carry out research and development work on environmental issues;
- provide information from the public register to anyone who asks;
- prevent anyone from breaking environmental law, investigate cases where environmental law may have been broken, and take any action that is needed;
- assess whether customers are satisfied with our service, and to improve our service; and
- respond to requests for information under the Freedom of Information Act 2000 and the Environmental Information Regulations 2004 (if the Data Protection Act allows). We may pass the information on to our agents or representatives to do these things for us.

5 Confidentiality and national security

We will normally put all the information in your application on a public register of environmental information. However, we may not include certain information in the public register if it is in the interests of national security, or because the information is commercially confidential.

You can ask for information to be treated as confidential by enclosing a letter with your application giving your reasons. If we agree with your request, we will tell you and not include the information in the public register. If we do not agree with your request, we will let you know how to appeal against our decision, or you can withdraw your application.

You can tell the Secretary of State (premises in England) or Welsh Ministers (premises in Wales) that you believe including information on a public register would not be in the interests of national security. You must enclose a letter with your application telling us that you have told the Secretary of State or Welsh Ministers and you must still include the information in your application. We will not include the information in the public register unless the Secretary of State or Welsh Ministers decides that it should be included.

Tick the box if you wish to claim confidentiality for your application

Please treat the information in my application as confidential

Tick the box if you wish to claim national security for your application

(Note: All applications relating to sealed sources are automatically subject to national security restrictions – only tick the box if there is some other reason for claiming national security.)

I believe that including my information in the public register would not be in the interests of national security

6 Declaration

If you knowingly or carelessly make a statement that is false or misleading to help you get an environmental permit (for yourself or anyone else), you may be committing an offence under the Environmental Permitting (England and Wales) Regulations 2010 and may be liable to prosecution.

A relevant person should make the declaration. **If you are transferring all or part of your permit, both you and the person receiving the permit must make the declaration.**

I declare the information in this application is true to the best of my knowledge and belief. I understand this application may be refused or approval withdrawn if I give false or incomplete information.

Tick this box to confirm that you understand and agree with the declaration above
