1. What is UKAN

Background

The UK Advisory Network is convened by Department for International Trade (DIT) to provide an accessible route to high quality and trusted professional support for foreign investors setting up in the UK. The Network consists of business services providers across a range of disciplines which provide advice on all aspects of establishing your business in the UK. Members complete a robust application process to join the Network.

The Networks Shared Values

- The UK Advisory Network is a network of professional services firms, facilitated by invitation from the UK Government.
- It enables investors and potential investors in the UK to more easily find the expert support they need to explore opportunities and to invest/set up in the UK.
- UK Advisory Network members have proven experience in their fields and are able to offer advice across a range of sectors from professional and financial services, Recruitment specialists to touchdown services.
- The Network provides a forum for feedback to the Government on issues affecting the business environment and ultimately informs efforts to make the UK even more business friendly.

How to join

3. Frequently asked questions

Below are some questions that you may have about the UK Advisory Network and their answers. If you have a question which is not covered on this page, please email us, ukadvisory.network@trade.gsi.gov.uk, with your question.

What is the UK Advisory Network?

Department for International Trade (DIT) understand the vital role that professional business service firms play within Trade and Investment processes. Consequently, an initiative, the UK Advisory Network, has been created to further enrich our existing contact with the Private Sector.

Can I join the Network?

How to join

If you are a UK company, with experience in assisting overseas companies into the UK Market, and would like to find out more about the UK Advisory Network, including how to join, contact: ukadvisory.network@trade.gsi.gov.uk and provide the following information:

- Company Name
- Company Address
- Name of company contact
- Telephone number
- Email address
- Website address

How much does membership cost?

Membership of the Network is free. All organisations within the Network are required to demonstrate their appropriateness and commitment by meeting a set of membership criteria.

What are the objectives of the Network?

The objectives are:

- Enriched partnership working between Government and Private Sector for the delivery and retention of high quality Inward Investment in the UK.
- Forum for feedback to DIT by partners on issues that are affecting Investment decisions in the UK
- Smoother and seamless transfer between Government and Private Sector support

Members of the United Kingdom Advisory Network ("the Network") join by agreeing to subscribe to certain common values (listed on the "Background" page).

No representation or warranty, express or implied, is made or given by DIT or its partner Departments - the Foreign and Commonwealth Office and the Department for Business, Innovation & Skills - as to the character or professional ability of any member of the Network.
