Introduction

Key Terms

1. Before reading this guidance, there are a number of key terms you will need to understand:

We / our / us	This is the Home Office.
You	This is the person who wishes to apply as a Tier 1 (Investor).
Entry Clearance	This is permission for you to travel to the UK. More information can be found on the entering the UK page of GOV.UK.
Leave to Enter	This is permission to stay in the UK that is granted when you successfully apply and enter the UK from overseas. More information can be found on the Tier 1 (Investor) page of GOV.UK.
Leave to Remain	This is permission to stay in the UK that is granted when you successfully apply to stay in the UK, from within the UK.
Leave	This is a general term which means all of entry clearance, leave to enter and leave to remain.

A glossary of terms applicable to this route is provided at the end of this document in Annex A.

Key principles

2. The Tier 1 (Investor) category is for high net worth individuals making a substantial financial investment in the UK.
3. Under this route you will not need to show that you have any English language ability because, while you are allowed to work in the UK if you wish to, you should not need to work.
4. You will not need to show any maintenance (funds) because, if you have the required investment funds, you will be able to support yourself in the UK without needing help from public funds.
5. You must be at least 18 years old to use this route, and the assets and investment you are claiming points for must be wholly under your control.
6. Even if you meet all of the conditions of the Tier 1 (Investor) category, there may be other reasons why we will refuse your application under the general grounds for refusal listed in the Immigration Rules. For example, this could be because of your previous immigration history. Please see the [general grounds for refusal guidance](#) on GOV.UK.
7. You will not be able to claim most benefits that are paid by the state. You will have to register with the police if this is required by paragraph 326 of the Immigration Rules, depending on your nationality. You will not be able to take employment as a Doctor or Dentist in training, except in defined circumstances. You will not be able to take employment as a professional sports person (including as a sports coach). More information on these conditions is given in the Terms and Conditions Annex C.

8. Your dependants may be able to join you. They will need to make their own applications using the appropriate forms, which are available on the [dependants pages](#) of GOV.UK.
9. You may be able to apply for settlement in the UK through this route. An accelerated path towards settlement is available for those investing more in the UK. Please see the [settlement guidance](#) on GOV.UK.

Control of and provenance of funds

10. We must not have reason to believe that:
 - you are not in control of, and at liberty freely to invest the, money specified in your application;
 - any of the money held by you, or being made available to you by a third party, has been acquired by means of conduct which is unlawful in the UK, or would constitute unlawful conduct if it occurred in the UK; or
 - the character, conduct or associations of any third party providing funds is such that approval of the application would not be conducive to the public good.

We may not award points where we have reasonable grounds to believe one or more of the above applies.

Specified documents

11. Paragraph 39B of the Immigration Rules states that where the Rules require that specified documents be provided, we will only accept such specified documents as evidence of the relevant requirement. Paragraph 39B also applies to determine whether any specified documents you provided are valid. The specified documents to be provided as evidence that you meet the requirements of a Tier 1 (Investor) are listed below. You must provide these documents where you need to send evidence to support your application
12. If the money is not held in pounds sterling, you must convert its value into pounds sterling on the application form. We will check the conversion using the exchange rate shown on the [Oanda website](#) on the date on which the application was made.
13. We will not accept evidence of your money from a financial institution with which the Home Office is unable to make satisfactory verification checks. A list of financial institutions which do not satisfactorily verify financial statements can be found in [Appendix P of the Immigration Rules](#) on GOV.UK.

Overseas criminal record certificates

14. If you are applying for entry clearance as a Tier 1 (Investor) migrant or are an adult dependant (over 18 years old) of the main applicant in this route, you must provide an overseas criminal record certificate for any country you have been present in continuously or cumulatively for 12 months or more, in the 10 years prior to your application.

You must provide the following specified documents:

- The original certificate, for each country (excluding the UK) where you have resided continuously or cumulatively for 12 months or more in the last 10 years, since aged 18 years old, issued by the overseas authority, and
 - If the original is not in English, a translated copy of the certificate, in line with the requirements set out on the [certifying a document page](#) of GOV.UK.
15. Certificates will only be considered valid if they have been issued within 6 months of the visa application or within the expressed validity period of the document, whichever is the shorter. Current information on how to obtain certificates from various countries can be found on the [criminal records checks page](#) of GOV.UK.
16. If you are unable to obtain a certificate, for example, because the country does not produce such documents or because of any other reasons, you must provide a letter which details your attempts to obtain a certificate and confirms why this has not been possible. You should submit this letter with your other supporting documents when you apply. We will consider your explanation against the situation in those countries and decide whether to waive the requirement. If we conclude that it is possible for you to obtain a certificate but you have failed to do so, you will be asked again to provide a certificate.
17. If you fail to provide any certificates or an acceptable explanation your application will be refused under paragraph 320 (2A) in the General Grounds for Refusal, Part 9 of the Immigration Rules. If you provide false or fraudulently obtained certificates your application will be refused. You may also be subject to a 10 year ban for any future entry clearance applications.

Can I apply for leave as a Tier 1 (Investor) migrant?

Initial Applications

18. Under the Tier 1 (Investor) requirements, you must score at least 75 points for attributes (Appendix A of the Immigration Rules).
19. In order to qualify for an initial grant of leave in this category you must:
- have money of your own, under your control, held in a regulated financial institution, and which is disposable in the UK, amounting to not less than £2 million.
 - have opened an account with a UK regulated bank for the purposes of investing not less than £2million in the UK.

Extension Applications

Initial leave granted before 6 November 2014

20. If you were granted initial Tier 1 (Investor) entry clearance, leave to enter or leave to remain under the Rules in place **before** 6 November 2014, to extend your leave as a Tier 1 (Investor) you must:
- A. Have money of your own, under your own control, in the UK amounting to not less than £1 million; or
- B. a) Have personal assets which, taking into account any liabilities to which they are subject, have a value of not less than £2 million; and
- b) have money under your control and disposable in the UK amounting to not less

than £1 million, which has been loaned to you by a UK regulated financial institution.

AND

Have invested not less than £750,000 of your capital in the UK by way of UK Government bonds, share capital or loan capital in active and trading UK registered companies other than those principally engaged in property investment; and have invested the remaining balance of £1 million in the UK by the purchase of assets or by maintaining the money on deposit in a UK regulated financial institution.

AND

Have made the investment referred to above:

- within 3 months of your entry into the UK, if you were granted entry clearance as a Tier 1 (Investor) Migrant and there is evidence to establish your date of arrival to the UK,
- within 3 months of the date of the grant of entry clearance or leave to remain as a Tier 1 (Investor) Migrant, or
- where the investment was made prior to the first grant of leave as a Tier 1 (Investor), no earlier than 12 months before the date of the application which led to the first grant of leave as a Tier 1 (Investor) Migrant,

and, in each case, the level of investment has been maintained for the whole of the remaining period of that leave; unless your last grant was as an Investor (under the Rules in force before 30 June 2008).

Initial leave granted after 6 November 2014

21. If you were granted initial Tier 1 (Investor) entry clearance, leave to enter or leave to remain under the Rules in place **on or after** 6 November 2014, to extend your leave as a Tier 1 (Investor) you must have invested not less than £2 million in the UK by way of UK Government bonds, share capital or loan capital in active and trading UK registered companies. The investment referred to above must have been made:

- within 3 months of your entry to the UK, if you were granted entry clearance as a Tier 1 (Investor) Migrant and there is evidence to establish your date of entry to the UK, unless there are exceptionally compelling reasons for the delay in investing, or
- within 3 months of the date of the grant of entry clearance or leave to remain as a Tier 1 (Investor) Migrant, unless there are exceptionally compelling reasons for the delay in investing, or
- where the investment was made prior to the first grant of leave as a Tier 1 (Investor), no earlier than 12 months before the date of the application which led to the first grant of leave as a Tier 1 (Investor) Migrant,

and, in each case, the level of investment has at least been maintained for the whole of the remaining period of that leave.

22. If there is a delay in making the investment, the reason must be unforeseeable and outside of your control. Delays caused by you failing to take timely action will not be accepted. You must take reasonable steps to mitigate any delays.

23. You will find explanations of some of the terms we use in the glossary Annex A, and more information on the point calculation in Annex B.

General information about timing your application

24. You will need to send us documentary evidence and check that you have everything needed before making your application. In some cases, you must send us documents dating back some time.
25. If you are in the UK, we encourage you to apply at least a month before your existing leave expires. If you apply much earlier than this, you risk having a shortfall in leave if you choose to apply for settlement. This is because any further grant of leave is given from the date that we make the decision, not the date your current leave expires.
26. Applications for leave to remain will fall for refusal if you have overstayed beyond the end of the last period of leave to enter or remain you were granted. The only exceptions are where your application is made:
- Within 14 days of your previous leave expiring and we consider there is a good reason beyond your/your representative's control, provided in or with the application, why the application could not be made in time; or
 - Within 14 days of:
 - the refusal of the previous application for leave; or
 - the expiry of any leave which has been extended by section 3C of the Immigration Act 1971; or
 - the expiry of the time-limit for making an in-time application for administrative review or appeal (where applicable); or
 - any administrative review or appeal being concluded, withdrawn or abandoned or lapsing.

If there are good reasons beyond your control which prevented you from applying in time, you must submit evidence of these with your application. All cases will be decided on their merits.

27. We advise that you do not plan to travel outside of the Common Travel Area whilst we are considering your application. Where you request your passport back from us in order to travel prior to a decision being reached on your application, your application will be treated as being withdrawn in accordance with Paragraph 34J of the Immigration Rules.

Date of application

28. The date of application is shown below:

If you apply overseas	If you apply in the UK
The date you pay the fee associated with application. This is the date on the payment receipt.	The date of posting; or the date on which it is delivered to the Home Office if you have a courier.

Making an application

29. If you would like to apply, you must complete a Tier 1 (Investor) migrant application.

Applying outside the UK (Entry Clearance)	Applying inside the UK (further leave to remain)
The majority of applicants must apply online. Further details are available here: https://www.gov.uk/tier-1-investor/apply	You must apply online The form is available here: https://visas-immigration.service.gov.uk/product/tier-1-investor-visa

30. If you are applying in the UK, you should check your eligibility to switch immigration categories in the UK. Please see the Terms and Conditions at Annex B.
31. If you have been studying in the UK and have been sponsored in your studies by a Government or international scholarship agency, you must provide us with the sponsor's consent for you to stay in the UK. More information about Sponsored Students is given in Annex C.
32. You will need to send us documents to demonstrate that you meet the requirements to be a Tier 1 (Investor) migrant. You should select all the documents listed in this guidance and Immigration Rules that apply to your application.
33. We will notify you of our decision and return any documents that you have submitted in support of your application by Royal Mail 'Signed For'. If you require your documents to be returned by Royal Mail Special Delivery, you must provide a pre-paid 'Special Delivery Guaranteed' envelope of a sufficient size to return all your documentation with your application.

About the documents you send us

34. You must ensure you provide all of the necessary supporting documents at the time you send your application to the Home Office. We will only accept the documents specified in the Immigration Rules and covered in this guidance.
35. If you have submitted specified documents in which:
- some of the documents within a sequence have been omitted (for example, if one page from a bank statement is missing) and the documents marking the beginning and end of that sequence have been provided; or
 - a document is in the wrong format (for example, if a letter is not on letterhead paper as specified); or
 - a document is a copy and not an original document; or
 - a document does not contain all of the specified information.

We may contact you and/or your representative in writing, and request the correct documents. We will only make this request once.

We will not ask for additional documents where:

- you have not provided a specified document at all; or
- requesting the missing or correct document will not lead to your application being granted, because it will be refused for other reasons.

You must provide the requested documents at the address specified in the request within 10 working days of the date of the request. Working day means any day other than Saturday or Sunday, a bank holiday, Christmas Day or Good Friday.

36. The documents you use for your application must be issued by an authorised official of the issuing organisation and be:
- original (unless we say otherwise); and
 - on the official letter-headed paper or stationery of the organisation.
37. Where any documents provided are not in English or Welsh, you must provide the original and a full translation that can be independently verified.

The translation must:

- confirm that it is an accurate translation of the original document;
 - be dated;
 - include the full name and original signature of the translator or an authorised official of the translation company;
 - include the translator or translation company's contact details; and
 - if you are applying for leave to remain or indefinite leave to remain, be fully certified and include details of the translator or translation company's credentials.
38. We only need evidence that is directly relevant to your application, as set out in the Immigration rules. We will not consider unrelated evidence.
39. We reserve the right to verify all documents submitted to us as part of an application. Where we are unable to verify a document or a document is found to be false, that document may be discounted or the application refused. Annex E provides details of the verification and other checks that we may make when we consider the documents sent with your application.
40. We will not accept evidence of your money from a financial institution with which the Home Office is unable to make satisfactory verification checks. A list of financial institutions which do not satisfactorily verify financial statements can be found in [Appendix P of the Immigration Rules](#) on GOV.UK.

What happens after I apply

41. The following steps will happen after you make your application:
- We receive your application;
 - You will receive a letter from us inviting you to submit your biometrics details. We can only assess your application after these are received. Further information on how to enrol your biometrics can be found on at the [BRP pages](#) of GOV.UK.
 - When your biometric details are submitted, we consider your application and give you the decision.

What happens if I disagree with the decision reached on my application?

Applications for initial entry

Investment Funds

50. You must have money of your own, under your own control, held in a regulated financial institution and disposable in the UK amounting to not less than £2 million.
51. You must show that you are able to make an investment of £2 million or more in the UK. This money may be held overseas at the time of application, or it may already be in the UK.
52. You may rely on money that is owned either jointly with, or solely by, your husband, wife, civil partner, unmarried or same-sex partner. You must have unrestricted right to transfer and dispose of the money and you must have permission from your husband, wife, civil partner, unmarried or same-sex partner to have control of this money in the UK. You must provide the evidence of your relationship and the permission to use the joint funds given in the section on supporting documents.
53. If the money is not held in pounds sterling, you must convert its value into pounds sterling on the application form. We will check the conversion using the exchange rate shown on the [Oanda website](#) on the date on which the application was made.

About your money

54. You may use, as evidence of funds, investments made in the UK within the 12 months immediately before the date of the application, provided they are held in a UK regulated financial institution.
55. You may not use assets or possessions such as property as evidence of your funds for

investment.

56. In all cases you (or you and/or your husband, wife, civil partner, or unmarried or same-sex partner) must be the beneficial owner of the funds and not holding the investments on behalf of anyone else.
57. The money must:
- be held in a regulated financial institution;
 - be disposable in the UK; and
 - amount to £2 million or more.
58. You must provide at least one piece of evidence from the table below with your application. A full description of each document is given in the specified document section; we strongly advise that you read that section before you make your application because, if the documents you submit do not contain all the required information, your application will be refused.

Where is the money?	How is it shown?	More detail
You have a portfolio of investments.	A portfolio report, produced by a UK regulated financial institution.	Whether or not the funds are currently in the UK, you can use a letter or portfolio report from a UK regulated financial institution.
You have a portfolio of investments.	You manage your own investments or your portfolio manager does not operate in the UK and is not regulated by the Financial Conduct Authority (FCA) or the Prudential Regulation Authority (PRA).	You can use a letter or portfolio report but you must also supply documentary evidence of your holdings used in the application. Please see Appendix A, 64-SD (ii) of the Immigration Rules for full details on the evidential requirements.
You have money in a bank.	Bank documents from a regulated bank.	You may supply personal bank statements or a letter from a regulated bank (also required if your funds are held abroad).

59. We reserve the right to verify the evidence provided to demonstrate you hold the required level of money. It is important that the money is not moved while your application is being considered, as this may lead to your application being refused.

Source of your funds

60. If you have not held the funds for 3 consecutive months before the date of the application, you must also provide evidence of the source of the funds. We will contact the source of these documents to confirm the information as necessary.

61. We will consider the following sources of funds, if the specified evidence shown in the specified documents section is provided:

- gift;
- deeds of sale;
- evidence from a business;
-
- will;
- divorce settlement;

- or

- award or winning

We may consider other sources for which specified evidence is provided

The money must be disposable in the UK and the applicant must open an account with a UK regulated financial institution

62. All of your £2 million funds must be freely transferable to the UK and able to be converted to pounds sterling. Many countries have controls over the transfer of currency and we must therefore ensure that the money can be transferred to the UK. If your money is not already in the UK, you must provide confirmation that the money can be transferred into the UK if your application is successful. The evidence for this is set out in the section on specified evidence.
63. You must pay particular attention to any international financial sanctions regimes which may affect your ability to move money in to the United Kingdom, and you must provide evidence with your application that you have sought and gained any necessary approval to transfer your funds freely to the UK. If you are subject to financial sanctions, and you do not provide additional proof from the relevant official body, such as HM Treasury, that you are authorised to transfer funds to the United Kingdom, your funds cannot be regarded as freely transferrable and your application will be refused. Information on the financial sanctions regimes operated by the UK can be found at the [HM Treasury section](#) of GOV.UK.

UK Bank Account

64. You must have opened an account with a UK regulated bank for the purposes of investing not less than £2million in the UK.
65. You must provide an original letter, issued by an authorised official of a UK regulated bank, on their official letter-headed paper which:
- a) is dated within 3 months immediately before the date of your application;
 - b) states your name and account number; and
 - c) confirms that:
 - i. You have opened an account with that bank for the purposes of investing not less than £2million in the UK; and,
 - ii. The bank is regulated by the Financial Conduct Authority (FCA) for the

purposes of accepting deposits.

66. For the purposes of meeting this requirement, a “UK regulated bank” is defined as a UK-based FCA regulated financial institution.
67. In relation to paragraph 65, if you have opened an account with an FCA regulated investment firm that does not itself accept deposits but is authorised to make investments and hold and/or control client money (for example, a regulated wealth management organisation using an underlying regulated custodian bank), the letter can be sent from the regulated investment firm (for example, the wealth management organisation), provided that the firm confirms that it applies the applicable FCA/PRA standards with regard to customer due diligence.
68. Where the FCA regulated investment firm is not itself authorised to hold and/or control client monies, it should have an agreement in place with a deposit holding institution that allows it to rely on the customer due diligence of the deposit taking body (for example, the underlying custodian bank). The regulated investment firm should also be able to access the due diligence information on request.
69. In relation to paragraph 65 (c)(i), if you have opened an account with an institution that accepts deposits but does not make investments (for example, banks that do not offer an investment function), the letter can be sent from the institution with whom you have opened the account. The letter must still confirm that they are satisfied that you have opened an account for the purposes of investing not less than £2 million in the UK (even where the qualifying investments will not be made from the account opened).
70. In relation to paragraph 65 (c)(i), where you have already has an account open that meets the requirements of paragraph 67, the required letter should acknowledge that the account was opened previously and will be used for the purposes of investing not less than £2 million in the UK.

71. In order to extend your leave you must show that you have:
 1. £1 million in the UK;
 2. Invested at least £750,000 in qualifying investments;
 3. Invested the balance of your £1 million in specified ways; and
 4. Invested the total amount as specified within 3 months of your specified date and maintained it since (unless you were last given entry clearance or leave to enter or leave to remain as an Investor under the Rules in force before 30 June 2008).

You must have money of your own under your control in the UK amounting to not less than £1 million

72. This £1 million should include a minimum of £750,000 invested in qualifying investments and any further money necessary to bring the total funds to at least £1 million.

73. If you have used joint funds with your husband, wife, civil partner, unmarried or same-sex partner who was not named on your original application, you must show that you have unrestricted right to transfer and dispose of the funds and you must have permission from them to have control of this money in the UK. The evidence of your relationship, and the permission to use the joint funds, that you must provide is given in the section on supporting documents.

You must have invested £750,000 in qualifying investments

74. We specify the type of investment we consider, so that money is invested in ways that help to stimulate growth in the UK as directly as possible. You must have invested not less than £750,000 of your capital in the UK by way of UK Government bonds, share capital or loan capital in active and trading companies that are registered in the UK. You may include investment held in foreign currencies.
75. If your previous leave was given under the former Investor category in place before the Rules in place before 30 June 2008, you are not subject to all of these restrictions.

The level of investment has been maintained

76. You must also show that you have maintained a total level of investment of £1 million throughout the period of your leave (from your specified date) and that, within such level of investment, you have maintained a portfolio of qualifying investments with a market value of at least £750,000. You are not restricted to keeping the same investments that you made on entering this category, but you must keep at least the same level of investment.
77. If the market value of your qualifying investments falls below the minimum (£750,000) it must be corrected before the end of the next reporting period or within 6 months of the date of competition of the sale, whichever is sooner. We may curtail your leave if you have not maintained the market value of your qualifying investment to the specified level throughout your leave.
78. You must provide a series of investment portfolio reports, certified as correct by an FCA/PRA UK regulated financial institution, with your application as evidence of your investments. If you were last granted leave under the predecessor 'Investor' route, and your portfolio manager is not UK regulated, you must send direct evidence of your investments. A full description of each document is given in the specified document section; we strongly advise that you read that section before you make your application because, if the documents you submit do not contain all the required information, your application will be refused.

Evidence of the balance of funds – to a maximum value of £250,000

79. The balance of funds is any further money necessary to bring your investments up to £1 million. If your investments total £1 million, no balance of funding is necessary.
80. If your qualifying investments amount to between £750,000 and £1 million, you must provide evidence of the balance of the funds. You must have maintained a balance of up to £250,000, depending on how much is required to bring your total investment in the UK up to £1 million, which you must have invested in the UK by the purchase of assets or by maintaining the money in a UK regulated financial institution.

81. You must provide evidence of any balance of funds needed for your application. A full description of the specified documents needed is given in the section on specified documents; we strongly advise that you read that section before you make your application. If the documents you submit do not contain all the required information, your application will be refused.

Extension Applications - If you were granted initial Tier 1 (Investor) entry clearance, leave to enter or leave to remain under the Rules in place on or after 6 November 2014

82. In order to extend your leave as a Tier 1(Investor), you must show that you have invested not less than £2 million in the UK by way of UK Government bonds, share capital or loan capital in active and trading UK registered companies.

The level of investment has been maintained

83. Points for maintaining the level of investment for the continuous period will only be awarded if you have purchased £2 million of qualifying investments and, where any part of the qualifying investment(s) is sold (whether at a gain or a loss) during the continuous period of leave, the gross proceeds (the total from the sale of the portfolio, before any fees, taxes or other costs are deducted) are re-invested in qualifying investments before the end of the next reporting period, or within 6 months of the date of completion of the sale, whichever is sooner.
84. We may curtail your leave if you have not maintained your investment to the specified level throughout your leave.
85. You must provide a series of investment portfolio reports produced by a UK regulated financial institution with your application as evidence of your investments. A full description of each document is given in the specified document section; we strongly advise that you read that section before you make your application. If the documents you submit do not contain all the required information your application will be refused.

All Extension Applications

86. In all extension applications:

You may withdraw the interest and dividend payments generated by the qualifying investments from the portfolio, providing you maintain the qualifying investments themselves;

Fees, for example those charged by institutions for managing the portfolio, and transaction costs and tax incurred through buying and selling investments, cannot be paid for from the investment funds for which you are scoring points;

If you have invested more than the required investment, the fees, transaction costs and tax referred to above may be paid from the surplus investment, providing the surplus investment was made at the same time or before the fees, transaction costs and tax were incurred. For example, if you score points for investing £2million, but have actually invested £2.1million in qualifying investments, up to £100,000 in fees, transaction costs and tax may be paid from the investment funds. You must have invested £2.1million at or by the time you pay these costs. You cannot pay any fees, transaction costs and tax out of the

£2million investment and invest a further £100,000 at a later date to compensate.

You must have made the investment within 3 months of your specified date, unless there are exceptional reasons for the delay in investing

87. We will check that you made the full investment required within 3 months of your specified date. The specified date refers to the date that you entered the route.

What is your ‘specified date’?

<p>What type of leave did you get?</p>	<p>You were granted entry clearance as a Tier 1 (Investor).</p>	<p>You were granted leave to remain as a Tier 1 (Investor).</p>	<p>You were last given entry clearance or leave to enter or leave to remain as an Investor under the Rules in force before 30 June 2008.</p>
<p>What date do we take?</p>	<p>Your date of entry to the UK where there is evidence to establish such date; or The date of your entry clearance where there is no evidence to establish your date of entry to the UK.</p>	<p>The date of your grant of leave to remain as a Tier 1 (Investor), shown on your approval letter.</p>	<p>This did not form part of the criteria for the predecessor ‘Investor’ route and you do not need to show that you invested within 3 months.</p>

88. Where you made your investment prior to the application which led to your first grant of leave as a Tier 1 (Investor), and this investment was made no earlier than 12 months before the date of that application, this will also meet these requirements.

89. If you wish your specified date to be the date you entered the UK as a Tier 1 (Investor), you must provide evidence to establish this date. The evidence you must supply is shown in the section on specified documents.

90. Where evidence of entry is not available, or where you were originally granted entry clearance in a category other than Tier 1 (Investor), the 3 months will be from the date that you were granted entry clearance, leave to enter, or leave to remain in the category.

91. We will expect you to have invested your funds in the UK at the earliest opportunity. You should not wait until near the end of the 3 months before trying to invest.

92. If there are exceptionally compelling reasons for the delay in investing we will consider waiving this requirement, but the reasons must be:

- Unforeseeable, and

- Outside of your control.

For example: we will not take into account delays caused by your failing to take action in time to meet the criteria.

93. If your previous leave was as an Investor under the Rules in force before 30 June 2008, you do not have to show that your investments were made within 3 months of entering the route. Your specified date will be taken as the date that you invest the funds. In this case, you must have made the investment before applying to extend your permission to stay.

Where you have been found not to have made the investment within 3 months of the specified date, we may curtail (remove) your leave.

Evidence required for joint funding

94. You should provide this if you are making an initial application and you are relying on money held jointly with, or solely by, your husband, wife, civil partner, or unmarried or same-sex partner, or if you are making an extension application and you did not provide this information with your initial application.
95. You must provide original documents as evidence (not copies) from each of the following sections 1-3 with your application:

1. Your relationship

Marriage or civil partnership: Your original certificate of marriage or civil partnership, to confirm the relationship. This should include the your name and the name of your husband, wife or civil partner; or

Other relationship: Evidence from the table below to demonstrate a 2 year relationship similar in nature to marriage or civil partnership. A relationship that is similar in its nature to a marriage or civil partnership includes both unmarried and same-sex relationships.

The marriage or civil partnership, or relationship similar to marriage or civil partnership, must be subsisting at the time the application is made.

In addition if you are relying on evidence from an unmarried or same-sex partner:

- any previous marriage or civil partnership or similar relationship by you or your unmarried or same sex partner must have permanently broken down; and
- you and your unmarried or same sex partner must not be so closely related that you would be prohibited from marrying each other in the UK.

To prove you are living together within a committed relationship, you must provide at least 3 pieces of evidence from this list. The evidence must cover the full 2-year period:

- a bank statement or letter from a bank confirming a joint bank account (an account held in both names);
- official document such as a mortgage agreement showing a joint mortgage;

- birth certificates of any children of the relationship, showing both partners as parents;
- joint rent (tenancy) agreement;
- we may also agree to consider any other evidence that adequately demonstrates a couple's long-term commitment to one another.

2. Permission to use the funds.

You must provide a declaration from your husband, wife, civil partner, or unmarried or same-sex partner that they will permit all joint or personal money used for the application to be under your control in the UK. This is known as a gift of beneficial ownership of the money while retaining the legal title.

- a statement that your husband, wife, civil partner, or unmarried or same-sex partner agrees that you have sole control over the money.

The effect of the document is that your husband, wife, civil partner, or unmarried or same-sex partner must not be able to access the money without your consent, and you must be able to use the money freely without their consent. A template is in Annex H for your convenience if you wish to use it (Document 3).

3. Confirmation of validity:

You must provide a letter from a legal adviser confirming that the declaration is valid. The confirmation must be from a legal adviser permitted to practise in the country where the declaration was made and must clearly show all the information in this list:

- show the dates that the investments were made;
- show the destination of the investments. If these are in companies, these must be UK companies;
- show that the investments were made in your name and/or that of your husband, wife, civil partner, unmarried partner or same-sex partner and not in the name of an offshore company or trust even if this is wholly owned by you;
- show the name and contact details of the financial institution that has certified the portfolio as correct, and except for National Savings and Investment NS&I portfolio reports, confirmation that this institution is regulated by the FCA/ PRA – this will normally appear on the letterhead of all official documentation;
- include the date that the portfolio was certified by the financial institution;
- state that the institution will confirm the content of the document to us at our request; certify that the total investment was maintained.

In addition if the following applies to you, you must provide the evidence in the table below:

<p>If you have had a shortfall in investments over the period</p>	<p>Your portfolio report must show that any shortfall in investments was made up before the end of the next reporting period or within 6 months of the date of completion of the sale, whichever is sooner. For example, if the investments had a shortfall in the March report in a year, and the investments have a quarterly reporting period, the market value has been made up by the June report.</p>
<p>If you have made investments as loan funds</p>	<p>Your portfolio must include audited or unaudited accounts with an accounts compilation report (see below for more details) for investments made as loan funds to UK companies, which must give the full details of your investment. Accounts must meet statutory requirements.</p>

Accounts: The latest audited or unaudited annual accounts of the organisation in which the investment has been made must meet statutory requirements and must clearly show:

- the amount of money you hold in the investments;
- your name and/or that of your husband, wife, civil partner, unmarried partner or same-sex partner; and
- the date of your investment.

If the organisation is not required to produce audited accounts, we will consider unaudited

accounts plus an accounts compilation report from an accountant. The report must show the amount of money held in the investments. The accountant must have a valid licence to practise or practising certificate and must be a member of the Institute of Chartered Accountants in England and Wales (ICAEW), the Institute of Chartered Accountants in Scotland (ICAS), the Institute of Chartered Accountants in Ireland (ICAI), the Association of Chartered Certified Accountants (ACCA), the Association of Authorised Public Accountants (AAPA), the Chartered Institute of Public Finance and Accountancy (CIPFA), the Institute of Financial Accountants (IFA), the Chartered Institute of Management Accounts (CIMA), the Association of International Accountants (AIA), or the Association of Accounting Technicians (AAT). Please refer to the [life of a company page](#) on GOV.UK.

104. **Where your initial grant of leave was under the former Investor category and** you are unable to provide the evidence listed above because you manage your own investments, or have a portfolio manager who does not operate in the UK and is therefore not regulated by the FCA/PRA, you must provide documentary evidence of your holdings used to claim points.

You must provide one or more of the documents from the table below:

Evidence of your investments - extension applications - If you were granted initial Tier 1 (Investor) entry clearance, leave to enter or leave to remain under the Rules in place on or after 6 November 2014

106. You must provide evidence that you have invested no less than £2 million in the UK in qualifying investments.

You must provide a series of investment portfolio reports certified as correct by an FCA/PRA UK regulated financial institution (unless your initial leave was as an Investor under the Rules in force before 30 June 2008). It must:

- cover the required period, beginning no later than the end of the 3 month timescale from your specified date and continue to the last reporting date of the most recent reporting period directly before the date of your application;
 - show the destination of the investments., If these are in companies, these must be UK companies (see Annex A for more details);

 - include the date that the portfolio was certified by the financial institution
 - show the dates that the investments were made

- In addition, if the following applies to you, you must provide the evidence in the table below:

<p>If you have had a shortfall in investments caused by selling part of or all of your portfolio over the period</p>	<p>Where any part of the qualifying investments in the portfolio is sold (whether at a gain or at a loss) during the specified continuous period of leave, your portfolio must show that their gross proceeds are re-invested in qualifying investments before the end of the next reporting period, or within 6 months of the date of completion of the sale, whichever is the earliest.</p> <p>You are not required to top-up the value of your portfolio if the market value of your investments falls.</p>

- the amount of money you hold in the investments;
- your name and/or that of your husband, wife, civil partner, unmarried partner or same-sex partner; and
- the date of your investment.

If the organisation is not required to produce accounts, we will consider an accounts compilation report from an accountant. The report must show the amount of money held in the investments. The accountant must have a valid licence to practise or practising certificate and must be a member of the Institute of Chartered Accountants in England and Wales (ICAEW), the Institute of Chartered Accountants in Scotland (ICAS), the Institute of Chartered Accountants in Ireland (ICAI), the Association of Chartered Certified Accountants (ACCA), the Association of Authorised Public Accountants (AAPA), the Chartered Institute of Public Finance and Accountancy (CIPFA), the Institute of Financial Accountants (IFA), the Chartered Institute of Management Accounts (CIMA), the Association of International Accountants (AIA) or the Association of Accounting Technicians (AAT). 107. **Where your initial grant of leave was under the former Investor category and** you are unable to provide the evidence listed above because you manage your own investments, or have a portfolio manager who does not operate in the UK and is therefore not regulated by the FCA/PRA, you must provide documentary evidence of your holdings used to claim points.

You must provide one or more of the documents from the table below:

Document	What it must show
Certified copies of bond documents	<ul style="list-style-type: none"> • the value of the bonds; • the date of purchase; and • the owner.
Share documents	<ul style="list-style-type: none"> • the value of the shares; • the date of purchase; and • the owner.

Accounts: see the information in the section on portfolio reports provided by a UK regulated financial institution, above.

Specified date – All extension applications

108. If you wish your **specified date** to be the date you entered the UK you must provide evidence to establish this date. Evidence we will accept includes:

- Passport containing the visa stamped on entry to the UK;
- Flight tickets and boarding card.

Where you cannot provide either of these pieces of evidence, you can supply other documents for consideration which prove the date you entered the UK.

109. We may curtail your leave as a Tier 1 (Investor) if you are found not to have made the:

- £750,000 investment if you were last granted leave under the Rules in place before 6 November 2014; or
- £2 million investment if you were last granted leave under the Rules in place on or after 6 November 2014.

In each case, it must be within 3 months of your **specified date**.

Tier 1 (Investor) settlement (Indefinite Leave to Remain) applications

110. This section describes the current requirements for settlement (also known as Indefinite Leave to Remain). You should always check the latest guidance before you apply.

111. The settlement form is called 'SET(O) – Application for indefinite leave to remain in the UK in one of the categories listed in this form and a biometric immigration document'. The SET (O) form is available here: www.gov.uk/government/publications/application-to-settle-in-the-uk-form-seto.

112. You will need to meet some requirements which apply to all Points Based System settlement applications and some which are specific to Tier 1 (Investor).

113. The Immigration Rules for settlement for Tier 1 (Investor) can be found at paragraph 245DF. These are available on our website here: www.gov.uk/guidance/immigration-rules/immigration-rules-part-6a-the-points-based-system.

Length of time in the United Kingdom needed to qualify – settlement

114. You can apply for settlement under Tier 1 (Investor) once you have reached 5 years' continuous leave in the United Kingdom under the route.

115. However, if you meet additional criteria (explained below), you may apply for accelerated ILR after a continuous period of either 2 years or 3 years.

116. You cannot combine Tier 1 (Investor) leave with leave in any other category to meet the continuous leave requirement.

117. Your qualifying period can include time from the date your initial application (for entry clearance or leave to remain) was approved.
118. **You can apply for settlement up to 28 days before you will reach the qualifying period. If you apply earlier than that, your application may be refused.** Your qualifying period will be the 5, 3 or 2 years immediately before the date you apply for settlement or the 5, 3 or 2 years immediately before the date your settlement application is decided, depending on which is most beneficial to you. If you have spent more than the required time in the United Kingdom, we will only consider the most recent 5, 3 or 2 years as applicable.

Absences – settlement

119. You cannot have had more than 180 days' absence from the United Kingdom during any consecutive 12 months of the qualifying period.
120. You will need to list details of your absences from the United Kingdom, including the reasons for those absences, on the form but you will not need to provide any specified evidence to support this.
121. Whatever the reason for any absences from the United Kingdom, they will still be counted towards the maximum 180 days (but see information about delayed entry to the UK below). This includes any absences for work reasons, or serious and compelling reasons. The only exception is where you have been absent from the United Kingdom assisting with a national or international humanitarian or environmental crisis, such as the Ebola crisis which began in West Africa in 2014 and you can provide evidence that this was the purpose of the absence.
122. You can include time between your entry clearance being granted and you entering the United Kingdom as part of your continuous period. Absences between the date entry clearance is granted and the date you enter the United Kingdom are treated as an absence from the United Kingdom and will form part of the 180 days allowed within a continuous 12 month period.

For example, if you entered the United Kingdom 100 days after you obtained entry clearance and have a further 81 days' absence during the remainder of the continuous 12 month period, you will exceed the number of absences permitted from the United Kingdom. You would therefore not qualify for settlement 5, 3 or 2 years (as appropriate) after the date you obtained entry clearance. You would need to wait until a date where you have spent the relevant period in the United Kingdom with absences of less than 180 days in any consecutive 12 month period, before you could qualify.

123. You do not need to provide evidence to demonstrate a period of absence between obtaining entry clearance and entering the United Kingdom.
124. If you have been outside of the United Kingdom for more than 180 days in a consecutive 12 month period, you will need to start the qualifying period for settlement again. If this happens, you may need to obtain a further grant of limited leave to remain to complete your continuous period in the United Kingdom.
125. For settlement applications made from 11 January 2018, we consider absences from the UK on a rolling basis, rather than in separate consecutive 12-month periods. If your qualifying period includes time before this date and you believe that this change would cause you exceptionally harsh consequences, you must set out the reasons in a letter.

Specific Tier 1 (Investor) Criteria – settlement

126. Settlement applications are made to the Home Office. The criteria you need to meet differ depending on when you first entered the route.
127. If you entered the Tier 1 (Investor) route on or after 6 November 2014 you must meet the following criteria:
- you have invested at least £2million (or £5 million or £10 million for accelerated settlement) by way of United Kingdom Government bonds, share capital or loan capital in active and trading United Kingdom registered companies. The same restrictions on investments that apply to limited leave applications are applicable; and
 - you have spent the specified continuous period lawfully in the United Kingdom, with absences from the United Kingdom of no more than 180 days in any 12 calendar months during that period. The specified continuous period is either:
 - 2 years, if you can demonstrate that you have invested £10 million as detailed above;
 - 3 years, if you can demonstrate that you have invested £5 million as detailed above; or
 - 5 years, if you can demonstrate that you have invested £2 million as detailed above.

If you have spent time with valid leave in the Bailiwick of Guernsey, the Bailiwick of Jersey or the Isle of Man in a category equivalent to Tier 1 (Investor), you may include this time in your continuous period of lawful residence, provided the most recent period of leave was as a Tier 1 (Investor) Migrant in the United Kingdom. In any such case, you must not have absences from the Bailiwick of Guernsey, the Bailiwick of Jersey or the Isle of Man (as the case may be) of more than 180 days in any 12 calendar months during the specified continuous period; and

- The investment must have been made no earlier than 12 months before the date of the application which led to your first grant of leave as a Tier 1 (Investor) Migrant. The level of investment must have been at least maintained throughout the relevant specified continuous period, other than in the first 3 months of that period, and you must provide the specified documents to show that this requirement has been met (see the specified documents section below for more details).
128. If you entered the Tier 1 (Investor) route before 6 November 2014 you must meet the following criteria:
- you have money of your own, under your control in the United Kingdom, amounting to not less than £1 million (£5 million or £10 million for accelerated settlement); or
 - you own personal assets which, taking into account any liabilities to which they are subject, have a value of not less than £2 million and you have money under your control and disposable in the United Kingdom amounting to not less than £1 million which has been loaned to you by a United Kingdom regulated financial institution; or
 - you own personal assets which, taking into account any liabilities to which they are subject, have a value of not less than £10 million and you have money under your control and disposable in the United Kingdom amounting to not less than £5 million which has been loaned to you by a United Kingdom regulated financial institution; or
 - you own personal assets which, taking into account any liabilities to which they are subject, have a value of not less than £20 million and you have money under your control

and disposable in the United Kingdom amounting to not less than £10 million which has been loaned to you by a United Kingdom regulated financial institution;

And

- You have invested not less than 75% of the £1 million (or £5 million or £10 million for accelerated settlement) of your capital in the United Kingdom by way of United Kingdom Government bonds, share capital or loan capital in active and trading United Kingdom registered companies, and have invested the remaining balance in the United Kingdom by the purchase of assets or by maintaining the capital, as a deposit, money on deposit in a United Kingdom regulated financial institution;

And

- you have spent the specified continuous period lawfully in the United Kingdom, with absences from the United Kingdom of no more than 180 days in any 12 calendar months during that period. The specified continuous period is either:
 - 2 years, if you can demonstrate that you have invested £10 million as detailed above;
 - 3 years, if you can demonstrate that you have invested £5 million as details above; or
 - 5 years, if you can demonstrate that you have invested £1 million as detailed above.

If you have spent time with valid leave in the Bailiwick of Guernsey, the Bailiwick of Jersey or the Isle of Man in a category equivalent to Tier 1 (Investor), you may include this time in your continuous period of lawful residence, provided the most recent period of leave was as a Tier 1 (Investor) Migrant in the United Kingdom. In any such case, you must have not absences from the Bailiwick of Guernsey, the Bailiwick of Jersey or the Isle of Man (as the case may be) of more than 180 days in any 12 calendar months during the specified continuous period;

And

- The investment must have been made no earlier than 12 months before the date of the application which led to your first grant of leave as a Tier 1 (Investor) Migrant. The level of investment must have been at least maintained throughout the relevant specified continuous period, other than in the first 3 months of that period, and you must provide the specified documents to show that this requirement has been met (see the specified documents section below for more details).

Increasing investment for accelerated settlement – settlement

129. If you previously obtained entry clearance or a grant of leave to remain by demonstrating that you had a lower level of funds available to invest but, after you were granted leave, you increased this in order to take advantage of accelerated settlement, you must demonstrate the source of these additional funds. Further details on how to demonstrate source of funds is available earlier in this guidance.
130. You will only be able to include time from when your investment was increased to £5 million or £10 million towards your accelerated continuous period. For example:

If you were granted leave on 1 January after demonstrating you had £2 million to invest and you increased your investment to £10 million on 1 June, you would not be able to include the period 1 January to 1 June in your continuous 2 year period.

Specified Date - Settlement

131. Your specified date:
- where you were granted entry clearance as a Tier 1 (Investor) is either:
 - your date of entry to the United Kingdom where there is evidence to establish such date; or
 - the date of your entry clearance where there is no evidence to establish your date of entry to the United Kingdom; or
 - where you were granted leave to remain as a Tier 1 (Investor), is the date of your grant of leave to remain as a Tier 1 (Investor), shown on your approval letter.
132. Where you made your investment prior to the application which led to your first grant of leave as a Tier 1 (Investor), and this investment was made no earlier than 12 months before the date of that application, this will also meet these requirements.
133. If you wish your specified date to be the date you entered the United Kingdom as a Tier 1 (Investor), you must provide evidence to establish this date. The evidence you must supply is shown earlier in the section on specified documents for extension applications.
134. Where evidence of entry is not available, or where you were originally granted entry clearance in a category other than Tier 1 (Investor), the 3 months will be from the date that you were granted entry clearance, leave to enter, or leave to remain in the category.
135. We will expect you to have invested your funds in the United Kingdom at the earliest opportunity. You should not wait until near the end of the 3 months before trying to invest.
136. If there are exceptionally compelling reasons for the delay in investing we will consider waiving this requirement, but the reasons must be:
- Unforeseeable, and
 - Outside of your control.

For example, we will not take into account delays caused by your failing to take action in time to meet the criteria.

Specified Documents - settlement

137. Previous sections of this guidance contain more details of the specified documents you should provide to demonstrate the settlement criteria.
138. If your situation is unusual or particularly complex, you may also wish to consider including a covering letter with your application. The covering letter should give an explanation of how the specified documents you are providing demonstrate that you have met the requirements for settlement. Your application will be processed without a covering letter but it may speed up the consideration if your situation is unusual or particularly complex.

General Grounds for Refusal – settlement

139. As with Tier 1 (Investor) limited leave applications, you will also be subject to General Grounds for Refusal. This means that even if you qualify under the Tier 1 (Investor) rules there may be other reasons (such as your immigration history, whether you have previously provided fraudulent documents to the Home Office, whether you have been convicted of a serious crime etc) that may lead to the application being refused.

Knowledge of Life and Language - settlement

140. When you apply for settlement you are required to show that you have knowledge of life and language in the United Kingdom before you can be granted (unless you fall under an exemption).
141. You can demonstrate this by passing both the Life in the UK test and holding an English speaking and listening qualification at level B1 or above.
142. More information on Life in the UK test, including how to book and the relevant exemptions, can be found here: www.gov.uk/life-in-the-uk-test.
143. More information on the language requirement can be found here: www.gov.uk/english-language.

Annex A - Glossary of Terms and Further Information

Active and trading companies

A1. In order to count for the award of points, investments made as loan or share capital must be made in companies that are active and trading. A trading company is one that is doing business. Non-trading companies and dormant companies will not be accepted for the award of points for loan or share capital. Further information on dormant companies is available on the [Companies House section](#) of the GOV.UK.

Assets or possessions will not be accepted for the award of points for initial applications

A2. Funds that you claim are available, but have not been converted to money, will not be accepted for the award of points for initial applications. This includes estimates of the money that will become available when assets are sold. This is because, until the sale of these assets is complete and cash transferred to the seller, there is no guarantee that the estimated value of the assets will be realised.

Property purchased in the UK will not be accepted as evidence for an initial application, but may be accepted as evidence of the balance of your funds for an extension application.

Balance of funds

A3. If you were granted initial Tier 1 (Investor) entry clearance, leave to enter or leave to remain under the Rules in place before 6 November 2014, major assets in the UK, such as unmortgaged property, may be taken into account for the balance of funds, provided that they do not make up more than £250,000 of the £1 million investment sum required. The following can be taken fully into account subject to a limit of £250,000:

- Only the value of the unmortgaged portion of your own home, excluding any share owned by any other person (other than your spouse, civil partner, or partner) in the case of a tenancy in common, will count towards the balance of funds. The valuation of the portion of the property that you may rely on must be provided by a surveyor who is a member of the Royal Institution of Chartered Surveyors (RICS). For more information on membership of RICS, please see www.rics.org. This valuation must have been produced within the 6 months prior to the date of application;
- assets in the UK held for investment purposes (but not personal possessions);
- the value of all other investment in the UK (including for example any investments in open-ended investment companies); and
- cash on deposit in the UK.

Certified copy

A4. A duplicate of an original document, certified as an exact reproduction, usually by the officer or clerk responsible for issuing or keeping the original, or by a solicitor, notary public, Justice of the Peace or by any other person authorised to take a statutory declaration. The certified copy should be accompanied by a certificate, stamp or seal and the certifier's signature.

Confirmation that the financial institution is regulated by the home regulator

A5. We may seek to confirm that a financial institution is regulated by the home regulator. We may do this by accessing the appropriate website and/or by contacting the institution directly.

A6. We will access the [Financial Services Register](#) first. Institutions are registered as 'firms' under the name of the institution or as 'individuals' if a person is the authorised body.

Currency conversion

A7. The exchange rate used for overseas currency will be a rate conversion made using the exchange rate shown on the OANDA website on the date the application was made. We use the [OANDA database](#) to convert any quoted amount of overseas funds into pounds sterling when considering Investor applications.

European Economic Area (EEA) financial institutions

A8. If the EEA firm is already operating in the UK, it will be on the Financial Services Register. If not, the firm must be registered for operations in the country in which it operates (see the lists of regulatory bodies on the IOSCO website under A13 above). Under what is termed 'passporting' agreements, an EEA firm can provide financial services in the UK if it is entitled to carry on an activity in another EEA state but, in this case, the firm must still be regulated by the appropriate overseas authority.

The FCA and PRA listing process

A9. The authorisation process has been split between FCA and PRA. Firms carrying out PRA regulated activities as a bank, credit union, insurer, or managing agent of a Lloyds syndicate need to apply to the PRA for authorisation, but authorisation will not be granted unless the FCA is also satisfied that it should be. Firms that will be dual regulated should apply to the PRA unless directed otherwise. Solo regulated firms e.g. e-money institutions and payments service institutions and other providers will need to apply to the FCA for authorisation. Firms that have applied to the FCA/PRA for registration may not carry on regulated activities until their registration is complete. This may take 3 months or longer in some cases.

Financial exchanges are not responsible for control

A10. Financial exchanges are a form of market for the financial industry, and may be in charge of some of the listing and disclosure requirements for traded financial products on stock markets. These exchanges are not likely, however, to operate any form of control or monitoring of firms. Therefore, listing on a financial exchange cannot be accepted as an appropriate form of regulation of an overseas firm. For example, if a bank is listed on a recognised stock exchange, this is no guarantee that the bank is properly regulated and authorised. We will need to seek evidence of registration from an authority on one of the websites listed above.

Financial institutions

A11. For the purposes of this guidance, a financial institution is one that acts as an agent that provides financial services for its clients. Common types of financial institutions include banks, building societies, credit unions, stock brokerages and asset management firms. This is not intended to be an exhaustive list. Financial institutions are responsible for transferring funds from investors to companies in need of those funds. Financial institutions fall under financial regulation from a government authority.

Financial regulation

A12. Financial regulations are a form of control or supervision, which subjects financial institutions to local requirements, restrictions and guidelines, aiming to maintain the integrity of the financial system. This may be handled by either a government or non-government organisation. In the UK, by law, most financial service firms must be authorised by the Financial Conduct Authority (FCA) or the Prudential Regulation Authority (PRA) to do business in the UK.

The home regulator

A13. The home regulator is an official financial regulatory body, appropriate to the type of financial transaction, in the country of operation where the funds are located.

Investments that will not be counted towards the award of points

A14. Investors are required to make their investment in the UK in the form of UK Government bonds, share capital or loan capital.

- The funds must not be invested through an offshore company or trust. The funds must not be held in offshore custody. This is to ensure, among other things, maximum tax benefit to the UK. We do not regard investment from offshore companies as investment in the UK. This requirement does not apply to you if your previous permission to stay was given under the Investor route (under the Rules in force before 30 June 2008).
- The funds must not be invested in open-ended investment companies, investment trust companies, investment syndicate companies (pooled resource / shared risk entities such as 'namecos' operating as part of a banking, underwriting or insurance syndicate, for example) or pooled investment vehicles. This requirement does not apply to you if your previous permission to stay was given under the Investor route (under the Rules in force before 30 June 2008).

The funds must not be invested in companies mainly engaged in property investment, property management or property development (meaning in this context any investment or development of property to increase the value of property with a view to earning a return either through rent or a future sale, or both, or the management of property for the purposes of renting it out, or resale). The principle is that business income must be generated from the supply of goods and/or services and not derived from the increased value of property or any income generated through property, such as rent. This restriction does not, however, prevent you investing in companies that are mainly involved in construction.

- The funds must not be invested by using deposits with a bank, building society or other enterprise whose normal course of business includes the acceptance of deposits except where the investment is made in bonds offered through NS&I.
- If your previous permission to stay was given under the Tier 1 (Investor) category this exclusion also applies to ISAs, premium bonds and saving certificates issued by the National Savings and Investment (NS&I).
- We will not approve applications that rely on leveraged investment funds, including the purchase of stocks or other investments by using borrowed funds (on margin). An investor who borrows money from their broker to purchase stocks uses leverage in order to increase their potential gain. However, if the investments decline in value, then the amount of money the investor loses is likely to increase too. The funds used will not be accepted as the investor's funds. There is a transitional arrangement for those who entered the category (or the previous Investor route in place before Tier 1 (Investor) was introduced on 30 June 2008) or applied to do so before 13 December 2012, where security taken out against the loan will be accepted. Investors meeting the transitional requirements must take no other loans against their investments, however, and the requirements to be in control of their funds and not to leverage investment funds otherwise continue to apply.
- We will not accept applications that rely on money that a loan has been secured

against, where another party would have a claim on the money if loan repayments were not met. This includes the scenario of a bank lending funds to you and then taking the investments as security.

Legal representative

A15. This is a person who oversees the legal affairs of someone else. Examples include the executor or administrator of an estate and a court-appointed guardian of a child or incompetent person. We will accept a lawyer or a notary public as a legal representative.

Lawyer: A professional person authorised to practise law, conduct lawsuits or give legal advice.

Notary public: A public official whose main powers include administering oaths and confirming signatures.

A new investment is required for initial applications.

A16. You may only claim points for a new investment in the UK. A new investment is one that has been made within the 12 months immediately before the date of application. Investments that have been in the UK for longer than 12 months will not be considered for the award of points.

Only money held in a regulated financial institution will be accepted for the award of points

A17. The money must be held in one or more financial institutions (for example, a bank or building society), each of which must be regulated by the appropriate regulator in the country where they are operating. In order for a firm to hold money on someone's behalf, the financial institution must first be authorised by its home regulator and meet the minimum requirements to safeguard these funds. This activity is usually referred to as 'deposit taking'.

Money held in a financial institution that is not regulated by the home regulator will not be accepted for the award of points.

Overseas institutions not regulated by the FCA/PRA

A18. For overseas companies not registered with the FCA/PRA, we will use the information available from the [Companies House list](#) of overseas regulatory institutions under Worldwide registries.

Alternatively, for overseas institutions not registered with the FCA/PRA, we may also use the [International Organization of Securities Commissions \(IOSCO\) general membership lists](#).

Ordinary, associate and affiliate members make up a very high percentage of all overseas financial regulatory bodies on this site. Enquirers searching for a regulatory body may need to look under all 3 membership categories. For example, Canada's regulatory bodies are listed under affiliate bodies.

Central banks may also have supervision over some financial market. For a list of international central banks not registered with the FCA/PRA, we will use the list of central bank websites on the [Bank for International Settlements](#) website.

A19. Overseas regulatory bodies appearing on any of these websites will be accepted as an appropriate regulatory body. Only overseas regulatory bodies appearing on the websites listed may be accepted for the purpose of this guidance. If an application relies on money held in a financial institution not regulated by one of these bodies, it will not be accepted for the award of points.

Portfolio

A20. A portfolio of investments is a collection of investments all owned by the same person. Financial institutions measure the performance of the funds under their management. A report is usually made every quarter and will show a percentage change compared to the previous quarter.

A relationship similar in nature to marriage or civil partnership (including same-sex and unmarried partners)

A21. This is a relationship where 2 people have been living together in a relationship similar to marriage. You must show evidence of living together with your partner in the 2 years immediately before the application. This may include periods of up to 6 months spent apart when there are good reasons for the separation - for example, where it was not possible for one partner to accompany the other because of work commitments or looking after a relative. However, you must show that the relationship continued throughout that period -, for example, by giving evidence of visits or letters.

Where a couple have been living together for the 2 years before the application but have divided their time between countries, this will be enough to meet the requirement.

What is notarisisation?

A22. Notarisisation is the certification by a notary public that the signature appearing on a document is genuine. Notaries assess documents and confirm that copies are exact representations of the original. A notarisisation should include a notary's signature and an official stamp.

What is a UK company?

A23. In order to be counted for the award of points for investments made as loan or share capital, you must have made a capital investment in a business operating within the UK economy and subject to UK taxation. We will consider a UK company to be one that meets all of the following requirements:

- has its registered office or, if it has no registered office, its head office in the UK;
- has a UK business bank account showing transactions for the business that are current; and
- is subject to UK taxation.

Multinational companies that are registered as UK companies with either a registered office or head office in the UK are acceptable.

Annex B - Tier 1 (Investor) Overview of Terms and Conditions

B1. The following table explains some of the key features of Tier 1 (Investor). Full details of the requirements are at paragraph 245E to 245EF of the Immigration Rules.

Qualifying for indefinite leave to remain	<p>Full requirements for a grant of ILR under Tier 1 (Investor) may be found at paragraph 245EF of the Immigration Rules. The applicant must have spent the most recent period with permission to stay as a Tier 1 (Investor) migrant.</p> <p>The rest of this period may be made up of permission to stay either as a Tier 1 (Investor) or under the previous Investor category (under the Rules in force before 30 June 2008);</p>

You may only switch from Tier 4 (General) if you are or were last sponsored by:

(1) a UK recognised body or a body in receipt of public funding as a Higher Education Institution (HEI) from the Department of Employment and Learning in Northern Ireland, the Higher Education Funding Council for England, the Higher Education Funding Council for Wales or the Scottish Funding Council;

(2) an overseas Higher Education Institution (HEI), to undertake a short-term study abroad programme in the United Kingdom;

(3) an Embedded College offering Pathway Courses; or

(4) an independent school.

Applicants must meet the following conditions:

b) registration with the police, if this is required by paragraph 326 of the Immigration Rules;

c) no Employment as a Doctor or Dentist in Training, unless the applicant;

- has obtained a primary degree in medicine or dentistry at bachelor's level or above from a UK institution that is a UK recognised or listed body, or which holds a sponsor licence under Tier 4 of the Points Based System; or

- has, or has last been granted, entry clearance, leave to enter or leave to remain that was not subject to any condition restricting them from taking employment as a Doctor in Training, and has been employed during that leave as a Doctor in Training; or

- has, or has last been granted, entry clearance, leave to enter or leave to remain that was not subject to any condition restricting them from taking employment as a Dentist in Training, and has been employed during that leave as a Dentist in Training. Please also see Annex G; and

d) no employment as a professional sports person (including as a sports coach).

e) study subject to the condition in Annex H.

Migrants who are currently here with permission to stay under the former Investor category (the one that was available before we introduced the Tier 1 (Investor) category) are excluded from taking up employment in the UK. These migrants must continue to observe the employment restriction imposed on their permission to stay

	until they make a successful application under the Tier 1 (Investor) category and are given permission to extend their stay by moving into this category.
--	---

	Your leave may be curtailed if you are found to be in breach of any of these conditions.
--	--

Annex C - Additional evidence for sponsored students

C1.For the purposes of this section of the guidance, ‘sponsored’ means ‘supported by an award that covers both fees and living costs’.

C2.If you have had permission to be in the UK in the Tier 4 category, within the last 12 months, you may have been sponsored in your studies by a Government or an international scholarship agency.

C3.If you are currently sponsored by a Government or an international scholarship agency, or such sponsorship ended within the past 12 months of this application being made, you must provide the sponsor’s unconditional consent in writing to us, giving you permission to remain in or re-enter the UK. If the sponsor does not give unconditional consent or gives permission for a limited time, we will refuse the application.

C4.The evidence must be original, on the official letter-headed paper or stationery of the organisation and have the official stamp of that organisation. It must have been issued by an authorised official of that organisation.

C5.If you have received private sponsorship during your studies (for example, from an employer or relative), we do not require the sponsor’s consent.

C6.For more advice on sponsored students, see the chapter on Restrictions for some Students with Official Financial Sponsorship in the [Tier 4 Policy guidance](#) on GOV.UK.

Annex D - Verification and other checks

D1.We aim to consider applications quickly. However, we must also be confident that applications meet the requirements of the Immigration Rules, and that the information you provide is a true reflection of your background.

D2.We will ask for a variety of verifiable documents to enable us to consider the application.

D3.We may want to check the supporting documents you send with your application. Therefore, you must ensure that all the evidence comes from a source that can be clearly identified and that it can be independently confirmed as being genuine.

D4.There are 2 situations in which we will undertake a check:

- Verification checks – where we have reasonable doubts that the documents are genuine; or
- Other checks – where we carry out further checks, for example, where we have doubts about an application or the documents sent with the application but the doubts are not serious enough for us to make a verification check.

Verification checks

D5.Where we have reasonable doubts that a specified document is genuine, we may want to

verify the document with an independent person or government agency.

D6. The purpose of these checks is to ensure that the document provided is genuine and accurately reflects statements made in the application. If the document is being used as evidence to score points, we also want to ensure that it entitles you to claim those points.

D7. Verification may delay our decision on an application, so we will only do it when there are clear reasons for it.

Reasonable doubt

D8. There are many reasons why we may doubt that a specified document is genuine and what we consider to be a reasonable doubt will depend on an individual application. However, our judgments will be based on the facts we have.

Outcome of verification check

D9. There are 3 possible outcomes of a verification check:

- Document confirmed as genuine. If we can conclude that the document is genuine, we will consider the application as normal.
- Document confirmed as false. If we conclude that the document is false, we will refuse the application, whether or not the document is essential to the application. If a document is confirmed as false, we will normally refuse the application for more than one reason. For example, if you send us a bank statement to show that you have enough funds available, and we have evidence that the statement is false, we will refuse the application because you do not meet the funds requirement and because you have sent a false document. Where we confirm that a document is false, it will be retained by the Home Office and is likely to jeopardise any future application.
- Verification check inconclusive. If we cannot verify that the document is either genuine or false, then we will ignore it as evidence for scoring points. If you have sent other specified documents as evidence for scoring the relevant points, we will consider these as normal. If you have not sent any other documents, we will award zero points in that area.

Refusing applications without making verification checks

D10. We may refuse an application without making verification checks in 2 circumstances:

- Where we are concerned about a piece of evidence but would in any event refuse the application for other reasons, those reasons will form the basis of the refusal. We will not make verification checks in these circumstances. However, we will always verify passports if we doubt they are genuine.
- Where there is evidence that proves a particular document is false. If we can confirm that a document is false, we will normally refuse the application for more than one reason. For example, if you send us a bank statement to show that you have enough funds available, and we have evidence that the statement is false, we will refuse the application because you do not meet the funds requirement and because you have sent a false document.

Other checks

D11. We will make other checks where, for example we have doubts about an application or the

documents sent with the application but these are not serious enough for us to make a verification check.

D12. These checks may delay our decision on an application so we will only make them when we have clear reasons to do so.

Extra checks

D13. Sometimes we will have suspicions about a document, but they will not be enough to make us doubt that it is genuine. For example, this may be because previous verification checks have found that some supporting evidence is invalid and some is genuine, or where evidence provided contradicts information we already have. In these cases, we may carry out more checks.

Outcome of other checks

D14. There are 4 possible outcomes of these checks:

- Document confirmed as genuine. If we can conclude that the document is genuine, we will consider the application as normal.
- Document confirmed as false. If we can conclude that the document is false, we will refuse the application, whether or not the document is essential to the application. If a document is confirmed as false, we will normally refuse the application for more than one reason. For example, if you send us a bank statement to show that you have enough funds available, and we have evidence that the statement is false, we will refuse the application because you do not meet the funds requirement and because you have sent a false document. Where we confirm that a document is false, it will be retained by the Home Office and is likely to jeopardise any future application.
- Check inconclusive. If we cannot verify that the document is either genuine or false, we will consider the application as if the document is genuine.
- Check gives us cause to have reasonable doubt about the genuineness of a specified document. If we cannot verify that the document is either genuine or false but, as a result of the checks, we find other reasons to doubt the genuineness of a particular specified document, we may decide to make a verification check.

Procedure for verification and other checks

D15. The procedures for both verification checks and other checks will usually be similar and will vary from case-to-case, but they may involve:

- checking the details or genuineness of documents with employers, the relevant embassy or high commission, other government departments (in the UK and overseas); and
- checking the accuracy and authenticity of documents with banks, universities and professional bodies.

Standard procedure

D16. We will use a standard form to record the results of our enquiries, to ensure that we record any feedback consistently.

D17. If we cannot obtain an immediate answer to enquiries, we will normally wait for up to a maximum of 4 weeks for the necessary information.

D18. If we make checks on an applicant who is self-employed we will try to establish the business presence- for example, by checking business and/or tax registration.

D19. Our compliance team may visit your employer or educational institution (if you are a student) before we make a decision on the application.

Annex E - Administrative Review (Overseas Applications Only)

The following guidance refers to Administrative Reviews for applications made overseas only. For information about Administrative Reviews for applications made in the UK, please refer to the [administrative review pages](#) on GOV.UK.

E1. What is overseas Administrative Review?

Overseas Administrative Review is the mechanism for reviewing refusal decisions on applications made outside the UK under the Points Based System, where an applicant believes an error has been made in the decision. The Administrative Review is free of charge.

Administrative Review is an entitlement but the request must be made within 28 days from the date the refusal notice is received by you. Further information on the time limits relating to making a request can be found in paragraphs E6 and E7 below.

Administrative Review is a non-statutory scheme; that is there is no legislation setting out what it covers or who is eligible to apply. The policy is contained in this guidance.

E2. What if the Administrative Review request refers to matters outside the scope of the Administrative Review?

Where this occurs, the matters should be dealt with under the normal complaints procedure. In such cases, you will be advised in writing.

E3. Who conducts the Administrative Review?

An Entry Clearance Manager will conduct the administrative review. This may mean that, in some cases, an Entry Clearance Manager from another Post will conduct the Administrative Review. You may receive the result of the Administrative Review from an entry clearance post that is different to the one that considered the original entry clearance application.

E4. Who can apply for overseas Administrative Review?

Anyone refused entry clearance under the Points Based System, where they believe the Entry Clearance Officer has made an incorrect decision.

E5. How does the applicant apply?

You will receive the Administrative Review Request Notice with the entry clearance refusal notice. You must complete the Request Notice in full and send it directly to the address stated on the Request Notice.

You must not send any additional documents such as passport or supporting documents with the Administrative Review request notice. If the refusal is subsequently overturned, you will be asked to send in your passport.

You must not use the in country administrative review application form to apply for overseas administrative review. The in country form can only be used to apply for administrative review of eligible decisions on applications made from within the UK.

E6. What is the deadline for applying for Administrative Review?

You have 28 days from the date of receipt of the refusal notice, to submit a request for overseas Administrative Review.

E7. What if an application is submitted late?

Where an Administrative Review request is received outside the 28-day period, the administrative reviewer will consider if there are exceptional reasons to accept the application outside of the deadline.

If the Administrative Review request is outside of the 28-day period and the administrative

reviewer decides not to accept the request, the request notice will be returned to you with a letter explaining why it is not being accepted.

E8. How many times can you request an Administrative Review?

You may only request one Administrative Review of a refusal decision. Any further review requests about the same refusal decision will not be accepted. They will be returned to you.

However, where the Administrative Review upholds a refusal but with different refusal grounds, you may request an administrative review of these new refusal grounds.

If you have new or further information, documents or other paperwork that you failed to submit with your original application, you will need to make a new application and pay the appropriate fee.

E9. How long will the Administrative Review take?

The administrative reviewer will complete their review and notify you in writing of their decision within 28 days from the date of receipt of the Administrative Review request notice.

If, in exceptional circumstances, the administrative reviewer is unable to complete the Administrative Review within the 28 days, they will notify you in writing as to when to expect a decision.

E10. What will the administrative reviewer look at?

The administrative reviewer will examine the evidence submitted with the original application, copies of which will be kept at the refusal post.

You are not allowed to provide new evidence. Any new evidence must be disregarded unless you were refused under paragraph 320 (7A) or 320 (7B) of the Immigration Rules on General Grounds for Refusal (see paragraph E12).

Any new evidence you submit will be returned to you together with the outcome of the Administrative Review.

E11. How are Administrative Review decisions made?

The administrative reviewer should focus on the areas which you have asked to be reviewed. They will check that:

- points have been correctly awarded;
- documents have been correctly assessed; and
- verification checks have been properly carried out.

The administrative reviewer may recommend that the reason for refusal should be overturned, if they find that the Entry Clearance Officer:

- failed properly to consider evidence submitted with the original application;
- failed to apply the Immigration Rules correctly;
- made a mistake in processing the application;
- failed to give adequate reasons for refusing entry clearance. In this case, the administrative reviewer will recommend the Entry Clearance Officer revoke the original refusal and serve a new refusal notice giving a full explanation for the refusal.

Where the administrative reviewer recommends, in line with the above, that the reasons for refusal should be revoked, you may still be refused but with new grounds for refusal.

The administrative reviewer will not recommend that the original decision is overturned

simply because you claim there is a fault with the Home Office's underlying processes or policies.

E12. Does Administrative Review cover General Grounds for Refusal?

Yes. Administrative Review will also look at refusals on the basis of paragraph 320 of the Immigration Rules on "General Grounds for Refusal."

Reviews of refusals made under paragraphs 320(7A) and 320(7B) of the Immigration Rules

You may submit further information with the Administrative Review request, if the refusal is based on paragraph 320 (7A) or 320 (7B) of the Immigration Rules on General Grounds for Refusal.

If an application has been refused because a false document was used or a false representation was made, you may claim that you were unaware of the false documents or false representations. The refusal will still stand but you would have to prove that you did not know that false documents or false representations were used, if you are not to have any future applications automatically refused for 10 years. Where the documents related directly to you (for example, employment references, qualifications or financial details), such a claim would be likely to fail unless you have clear evidence that an error has been made (for example, written confirmation from an employer, financial institution or educational establishment that you have supplied us with incorrect information at the time we verified the original documentation).

If the administrative reviewer does accept that you did not knowingly use false documents or false representations, the refusal will still stand, but you will not automatically have any future applications refused under the rules (paragraph 320 (7B) where false documents or false representations were used.

E13. Does Administrative Review cover verification?

Yes. As part of the administrative review process the administrative reviewer will ensure that the Entry Clearance Officer has followed the correct verification procedures.

E14. What are the possible outcomes of Administrative Review?

There are 3 possible outcomes of Administrative Review:

- Uphold decision, reasons for refusal remain the same;
- Uphold decision, with revised reasons for refusal;
- Overturn decision and issue entry clearance.

E15. How are you informed of the result of the Administrative Review?

Decision upheld and the reasons for refusal remain the same:

- the administrative reviewer will notify you by letter. You will not be entitled to a further Administrative Review as the grounds for refusal has not changed.

Decision upheld but with revised reasons for refusal:

- A new refusal notice (GV51) will be served along with the Administrative Review letter from the administrative reviewer stating why the refusal has still been upheld. If there are fresh reasons for refusal which were not notified originally, you will be able to submit a further Administrative Review request limited to those fresh reasons.

Decision overturned and entry clearance to issue:

- The administrative reviewer will notify you by letter and request your passport.

E16. Appeals

The appeals rights for Points Based System (PBS) cases have changed for all applications made on or after 6 April 2015 and migrants no longer have a limited right of appeal. Please see the [Appeals policy guidance](#) on GOV.UK.

Annex F - Applicants who have been on an NHS Foundation programme or working as doctor or dentist in training during their last period of leave
