

Official Statistics Releases currently subject to Pre - Release Access

Official Statistics Releases currently subject to Pre - Release Access						
Roles of Ministers and officials who have been granted pre-release access for briefing purposes to any of the official statistics released by Defra must be identified in our pre-release access list.					Roles of those granted pre-release access for quality assurance purposes must be identified in our pre-release access list.	
Updated 21 February 2018	<p>Key for justification for pre-release access:</p> <p>A - To brief Ministers or other accountable person; to produce Ministerial briefing; to contribute to any Ministerial briefing or advice.</p> <p>B - To decide on the need for an accompanying Ministerial press notice and, where appropriate, draft this press notice and arrange press briefing.</p> <p>C - To receive any Ministerial briefing</p> <p>D - To enable a statistic to be included in a third party to be published at the same time or shortly after the statistic itself</p>				<p>Those given access to Defra Official Statistics ahead of their release for QA purposes must keep the statistics secure and under embargo and must not:</p> <ul style="list-style-type: none"> • disclose the statistics or any part of a publication containing those statistics to any person not listed as a pre-release recipient; • provide any indication of the size or direction of any trend revealed by the statistics; • use such access for personal gain, or taking any action for political advantage; • exploit such access to change or compromise the content, presentation, or timing of publication of official statistics. 	
<p>Beside Defra professional and production staff, the following post holders have been granted pre-release access for 24 hours before release of the statistical publications <u>in their final form</u> listed below.</p>					<p>The following post holders have been granted access <u>before the statistics are in their final form</u> for quality assurance purposes only.</p>
