**Re: S31 Grant Determination Letter for Children's Social Care Grant  
GR1000335.**

This Determination is made between:

- (1) **The Secretary of State for Education** and
- (2) **The local authorities listed at Annex A**

**Purpose of the Grant**

The purpose of this grant is to provide support to local authorities in England towards expenditure lawfully incurred or to be incurred by them.

This grant is intended to support the projects these local authorities have requested to undertake in children's social care relating to the Partners in Practice programme.

The Partners in Practice programme is about genuine partnership between local and national government to understand, capture and spread excellence. The three key aims of the programme are to:

- 1) demonstrate what works and drive innovation, building understanding of the conditions needed for excellent practice to flourish;
- 2) drive sector led improvement by injecting capacity into the sector to support authorities at risk of failure; and
- 3) support the Department on wider programmes and reforms by helping to shape policy.

Local authorities are undertaking a range of projects to drive innovation and excellence and to provide peer to peer support to other local authorities.

Annex A provides details of payments being made to local authorities involved in the Partners in Practice and Innovation Programme where funding was agreed by 19 July 2018.

Signed by authority of the Secretary of State.
