*Dear Dr Penny*

## **REVISED FUNDING 2011-12**

I am writing to inform you of a change to the National Gallery's allocation for 2011-12. This letter replaces any previous notifications relating to 2011/12.

The Secretary of State has agreed to provide the National Gallery with a budget of £25m to utilise your reserves for capital expenditure in 2011/12. This amount has now been added to your capital budget in the table below. Please advise me promptly if, at any point in the year, you find that your organisation will not need to access this much of its reserves. Arrangements for access to reserves in future years will be confirmed separately.

The amended control totals against which net expenditure will be monitored and the grant in aid that the Department will pay are as set out in the table below. The control totals are shown in the shaded columns.
