When providing evidence/data as part of a response to a question please note that:

- When providing environmental or socio-economic evidence/data as part of your consultation response, please complete the Data Submission Form at the end of this document
- Evidence provided as part of consultation responses should meet Defra's definition of Evidence as defined by Defra's Evidence Investment Strategy<sup>1</sup> and be 'reliable and accurate information that Defra can use to support decisions in developing implementing and evaluating policy'. Therefore it is important that all evidence provided should be able to be independently scrutinised and verified.
- As part of the consultation process please consider the questions below. When responding to a site-specific question please state clearly which site(s) you are referring to.
- Although we are only specifically requesting information and responses in respect of those MCZs proposed for designation in 2013, we would welcome your responses to Q2-8 in respect of all other sites recommended by the

## Data Submission Form

The submission of data to Defra during the Marine Conservation Zone Consultation confirms the Data Owner's agreement to grant "Defra Marine Family<sup>2</sup>" permission to access, hold and use the Material for the purposes of further informing the recommendations, designation and management of sites.

We encourage openness and transparency in the provision and use of data and information. Where material may be confidential and/or have commercial value and cannot be made widely available we must still make high level information on the data (e.g. metadata) publically available. Should there be any restrictions on the use of information submitted then please identify these within your response.

For further information on submitting data during the consultation please see the data factsheet on <http://www.defra.gov.uk/environment/marine/protect/mpa/mcz/>.

Please submit the following information in either the environmental or socio-economic sections to accompany any data submitted. **Please note that if the information requested is not provided we may be unable to use the data you submit.**
