Authorized Amendment
Summary/Overview of the amendment to explain/ensure that the reader understands: the rationale for the amendment; the major changes; and, importantly, the full context (including desired outcome) of the amendment.
The Regulated Community is reminded to check this amendment against any applicable AAMC, Waivers or Exemptions to ensure their ongoing validity.
The aims of the review have previously been set out in MAA/RN/2016/05 and the RAs have been substantially rewritten in order to: <ul style="list-style-type: none"> • Incorporate applicable AMC and GM currently stated or implied in the MAP-01. • Remove reference to the MAP-01 throughout. • Change of accountable individuals to align with RA 1205 (Air System Safety Cases). • Replace ASG reference with reference to the KID. • Include Letter of Authority validity periods to allow for Regulated Community personnel

changes with minimal impact on outputs.
 • Change the DE&S OC Director's involvement with the Airworthiness Strategy is to align with DE&S policy.
