

## Appendix B

### Saved structure plan policies

County level Structure Plans were abolished under the Planning and Compulsory Purchase Act 2004, but the policies in them remained in force until the new regional spatial strategies were published. In 2007 the Government wrote to planning authorities to advise them which policies would be saved after 27 September 2007. Some of these policies remain in force as they have not been replaced by policies in either the regional spatial strategies or development plan documents. However, there are no saved policies applicable to the Yorkshire and Humber Plan.
